Welcome to Twin Lakes, WISCONSIN

The Village of Twin Lakes is located in the Southeastern corner of Wisconsin in Kenosha County.

Currently, Twin Lakes has a full-time population of 6,508, and a vibrant part-time population of summer visitors as well. Our village is growing by almost 1% annually, and our population has increased by almost 200 residents since the last census in 2020, according to worldpopulationreview.com.

Twin Lakes offers small-town charm less than 70 miles from Chicago, Milwaukee and Kenosha. Its location offers quick, easy access to two international airports and interstate transportation.

In Twin Lakes we have a saying: “Close to everything, but away from it all.”

With nearly 1,000 acres of water, the Twin Lakes, Mary and Elizabeth, make the area a popular destination for swimming, boating, and fishing. Five major and several smaller parks offer beaches, basketball,

tennis, pickleball, and volleyball courts, skateboarding, walking trails, baseball diamonds, soccer/football fields, and sledding hills.

The Twin Lakes Chamber Office is located in the red railroad depot replica next to the caboose at 349 E. Main St. in downtown Twin Lakes. This railroad design pays homage to the history of the area. Large blocks of ice were harvested from the lakes and shipped to Chicago via railroad during the summer, before refrigeration became commonplace.

The Chamber building was ready for use in June of 1998. The arrival of the Chicago Northwestern Caboose TL-699 in June of 1999 was arranged for by resident and Chamber member Bill Porps.

The Twin Lakes Area Chamber & Business Association proudly hosts several community events each year.

Bring Dad to our 4th Annual Rock the Lake event June 15 to celebrate Father’s Day, as we kick off the summer season.

The Libertyfest parade will be Saturday, July 6, at 11 a.m. The parade starts at St. John’s Church parking lot and ends at Lance

Where Business and Community Come Together!

The Twin Lakes Area Chamber and Business Association, Inc. was created in 1991 when two organizations, the Twin Lakes Businessmen's Association (established 1954) and the Twin Lakes Chamber of Commerce (established 1971) were merged to better serve the community.

In 1997, the Association expanded its services to include surrounding communities not already covered by a Chamber or similar organization.

One of the goals of the Chamber is getting people together in a face-to-face setting to build business relationships and make new business contacts.

Twin Lakes Area Chamber & Business Association, Inc. is a proud supporter of the Twin Lakes Chamber Foundation, Inc., which is dedicated to providing merit-based scholarships to high school seniors in the Twin Lakes area. The Foundation also makes charitable donations every year, to help those in need.

Chamber membership is open to all residents and businesses in and around our service area. Anyone interested in what the Chamber has to offer is welcome to be a guest at a Chamber

Membership meeting.

By joining the Chamber, you not only invest in your business, but in the community as well. Call the Chamber for more information.

Even if you are retired or work outside the area, you can still be a valued part of the Chamber! We always need volunteers to help with our community events, which are lots of fun and a terrific way to meet people. Please call or email the Chamber office if you have some time to volunteer.

Park. Do you want to be in the parade? We welcome businesses, civic or neighborhood groups, and residents, so please let us know if you are interested. The Libertyfest celebration at Lance Park begins at 4 p.m., with food and beverages, music, an Aquanut performance, and fireworks at dusk.

Get out on the links September 18 for the Annual Chamber Golf Outing. Enjoy a day of golf, have lunch, compete for prizes, then end the evening with the ball toss, a great dinner, and raffles.

A fan favorite event, Trees on Parade and Holiday Shopping will be December 6 and 7 at St. John's Community Center. Let a Decorated Tree Contest, an Ugly Sweater Contest, and a Gingerbread House contest get you in the holiday mood. Good food and Christmas music add to the festivities. And best of all, our vendors and crafters will help you get a head start on that holiday shopping!

You can get to know our local businesses, bars, and restaurants during our scavenger hunts in March, July, and October, and the 5th Annual Elf Scavenger Hunt will take

place on Saturday, December 14.

Be sure to sign up for the Twin Lakes Chamber Friday Facts Newsletter – email web@twinlakeschamber.com to be added – for all the latest information from the area.

History of Twin Lakes

The original settlers in the Twin Lakes area were the Sauk, Fox, and Potawatomi tribes, long before white settlers came. Native Americans found high ground, with abundant fishing and hunting that were the means for their survival.

In 1833, after the Native Americans were moved to reservations, settlers Jonathan Imeson, from England, and his wife Mary Wray, the daughter of another settler Thomas Wray, staked a claim in the area later known as English Prairie on the southern tip of Lake Elizabeth. Their twin daughters, Mary and Elizabeth, were the first twins born on the Prairie. The lakes, formerly called Nippersink Lakes, were named after the twin girls and soon the area became known as Twin Lakes.

In 1859, the Kenosha, Rockford, and Rock Island Railroad Company laid tracks in the area, passing through on the north side of Lake Mary and bringing the outside world to Twin Lakes. By 1880, the depot was built with a sign on the side reading Twin Lakes.

Ice harvesting, farming, and weekend getaways bringing people to Twin Lakes were a key factor in the development of the town. Haegles' ice house was started on Lake Elizabeth in the late 1850's and more soon followed. Ice was harvested in large blocks and stored, to be sent to the city for use in the summer.

The first hotel, the Ackerman, was erected in the 1870s. Estates, resorts, taverns

and the Twin Lakes Ballroom, the largest ballroom in Wisconsin, made Twin Lakes a vacation destination by the turn of the century. Summer estates, handed down to the next generation, were common at the time.

Twin Lakes prospered during the "Roaring '20s", as many claimed it was the resort capitol of the Midwest. The Twin Lakes Ballroom, later called the Wonder Bar, was unique because most of the big bands played there. Glen Miller, Tommy and Jimmy Dorsey, Benny Goodman, Dorothy Lamour, and the Andrews Sisters all performed in the Ballroom. Lawrence Welk and his new wife Fern lived in a little room in the Twin Lakes Ballroom for the summer of 1931 when they came to Twin Lakes with a new band.

Ice houses began declining in the 1930's and the ice industry disappeared from Twin Lakes.

By 1937, Twin Lakes was incorporated as a village, formed its own government, and became a year-round community.

organizations to help us with the events, and we incorporate everyone in our surrounding communities which makes our area a wonderful place to live and visit.

The Chamber offers our current and new members many opportunities to help promote the success of their businesses and to bring new members into our organization.

As President of the Twin Lakes Area Chamber and Business Association and Assistant Branch Manager of Associated Bank in Twin Lakes, when I see the smiles, hear the laughter, feel the love, and see the unity, I know that together we will continue to make this a great place to live, work, and volunteer.

Town of Randall

Located in the Southwest corner of Kenosha County, surrounding Twin Lakes, the Town of Randall was formed when Kenosha County was created from a much larger Racine County in 1850. The boundaries were determined by splitting the Town of Wheatland in half. The town was named for the then-seated Governor, Alexander Randall. Today, the Town of Randall is home for about 3,315 residents.

The Town Board of Randall meets on the second and fourth Thursday each month, at 6 p.m. at the Randall Town Hall, 34530 Bassett Rd., Bassett, WI. The Town Hall can be reached by calling 262-877-2165.

Randall is home to the Kenosha County Veterans Memorial Park (formerly KD Park), and Warren Close Bark Park,

located at 35610 89th St., Twin Lakes.

The dog park is part of Kenosha County Dog Parks and abides by the Kenosha Dog Park rules, available on their website. Veterans Memorial Park also offers hiking trails, fishing, picnicking, non-motorized watercraft, snowshoeing, and cross-country skiing.

The Randall Fire Department, housed in two locations – Powers Lake and Bassett – has nearly 40 members. In addition to firefighters, Randall has a First Responder Unit, Cadet Squad, and Auxiliary.

In operation since 1985, Randall Fire Department has two engines, a ladder, a tender, a grass rig, two utility pickup trucks and an off-road UTV. New members are always welcome.

The Twin Lakes Fire Department goals are to respect and preserve life and property.

The Twin Lakes Volunteer Fire Department was organized in 1929 with a staff of more than 20 volunteers. The department was incorporated in 1941. The Twin Lakes Rescue Squad was formed in 1949.

The all-volunteer department has 45 members with at least 40 of those active in one capacity or another. The members are certified in Fire Fighting, EMT or AEMT levels. Currently the department has daytime staffing to cover calls, while most of the members work other jobs.

The department responds to an average of 160 fire calls per year and 1000 EMS calls per year, covering the Village of Twin Lakes, the Town of Randall, and the Town of

Wheatland.

Trainings are completed each month on Tuesday evenings to keep skills sharp, and the General Meeting for members is the second Tuesday of each month. AEMTs and EMTs are required to re-certify with the state every three years to keep licenses current.

The department uses and maintains nine vehicles, including a boat and newly purchased Polaris UTV.

The department participates in National Night Out in August and Shop with a Hero in December. Members go to Lakewood School and Randall School to do Fire Prevention programs during Fire Prevention month in October.

Emergency 911

www.twinlakespolice.org

Established in 1937, The Twin Lakes Police Department provides law enforcement services to the Village of Twin Lakes 24 hours a day, seven days a week.

The police department employs nine full-time Patrol Officers, one Detective, two Patrol Sergeants, one Captain, and is led by Police Chief Katie Hall. Five part-time Police Officers and a part-time seasonal water patrol staff also assist the department with providing

year-round services to the community.

The Village also maintains a 24-hour dispatch center located at police headquarters. Five full-time and four part-time dispatchers handle radio, paging, and telephone communications for the Twin Lakes Police, Fire, and EMS Departments.

In addition to emergency services, the police department hosts community events such as National Night Out the first Tuesday in August and coordinates Shop with a Hero each December before Christmas. These are two events where Twin Lakes Police Officers give back to the community. They serve by helping those in need and interacting with our citizens.

The police department lobby is open to the public 24 hours a day and staff is always onsite. There is a prescription medication drop-off box located in the lobby for citizens to drop off any expired or unused prescription medication.

Just a few of the other services available include fingerprinting, department tours, a safe exchange area, and vehicle lock-outs.

The highly trained, professional staff of the Twin Lakes Police Department are always ready to serve and assist the citizens and visitors of Twin Lakes in any way we can.

The Chamber would like to thank the members of the Police and Fire Departments for their service.
