WE'RE PROUD TO SUPPORT THE

ANTIOCH CHAMBER OF COMMERCE

What do we love the most about this community? The people we share it with! That's why we support the families here, the local businesses, and the charitable organizations, too. Instead of just providing banking solutions, we also take pride in giving back to the people who work to make this area so great. Why? Because this isn't just home to us; it's home to all of us. And, as a true community bank, we know that when we all do our part, we can help make Antioch better for everyone.

Lakes Region Historical Society Museum

The Museum is located inside Antioch's

Second School, located at 817 Main Street. This building was in continuous use as a grade school from 1892 to 1971. It also included the first two years of high school education.

The renovation and museum construction were completed with contributions and volunteer labor. The Museum was dedicated and officially opened on July 18, 1987. They welcome donations of artifacts from Antioch and

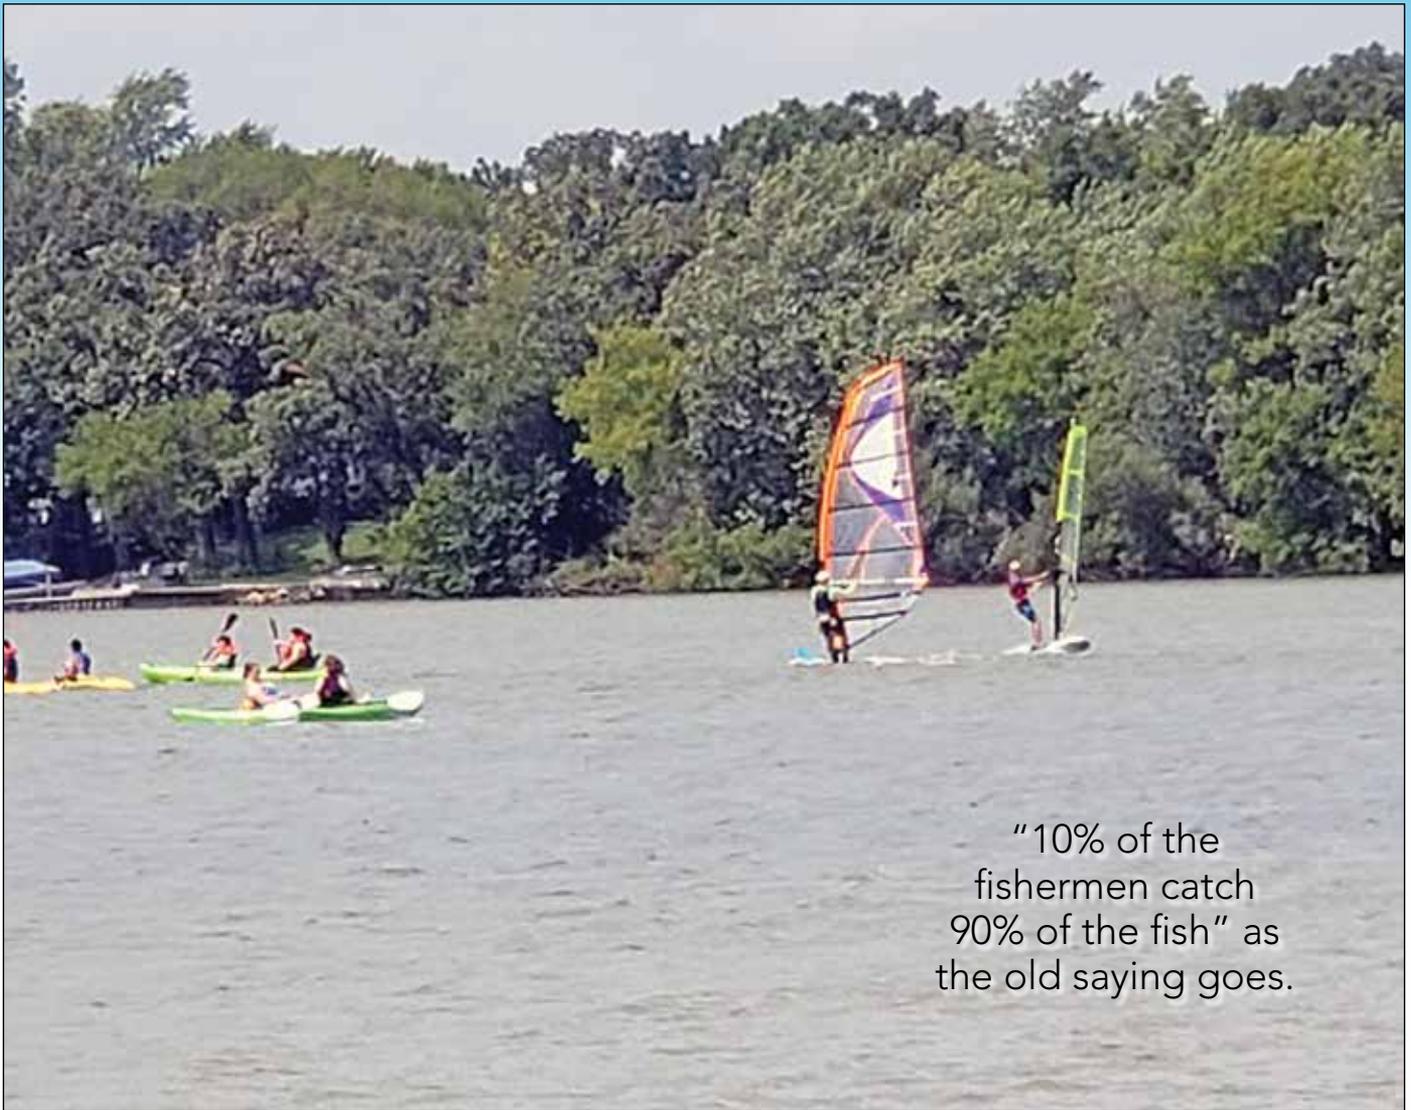

the Chain O'Lakes Region to add to their collection.

Private Tours are available for clubs and small groups by appointment. Admission is free, donations are gratefully accepted.

Open every Saturday March through December from 11 a.m. to 3 p.m (volunteers interested should contact them directly).

The museum is located on Route 83 in downtown Antioch.

the old saying goes.

The Chain O'Lakes

BRINGS WATER FUN TO ALL AGES

If fishing, make your trip to the Fox Chain O'Lakes a fun one by understanding the sport of fishing and the types of bait and tackle to use, when, where and how.

The 7,200 acre Fox Chain O'Lakes are the largest, single, inland, water-oriented, recreational asset in Northeastern Illinois. Located about 40 miles northwest of Chicago on Illinois Routes 173 and 12, near the towns of Antioch and Fox Lake.

Easy access to the major cities of Chicago and Milwaukee has added to the importance of the Chain. In addition to its hotels, motels and resorts with cottages in the immediate marina area, there are also many marinas, restaurants, pubs, bait and

tackle stores and recreational lakefronts.

Safety should be a number one concern when on the Chain (or any other body of water). Make sure all your equipment is in working order. Do not overload your boat or run it at high speeds in unfamiliar areas. Be courteous to everyone around you and give assistance where needed.

According to a survey taken by the U.S. Coast Guard, weekend usage on the Chain hits about 60,000 people on average and on holidays that figure rises to 100,000 people.

The future of the Chain is being monitored by the Illinois Department of Conservation. They have recently expanded both the walleye and muskellunge populations throughout the Chain.

The Fox Chain provides the best place to go fishing in Northern Illinois, with more than 40 species of fish in sizes and numbers desirable and sought-after by anglers.

Since the Chain O'Lakes is classified as a public navigable waterway and is managed under the authority of the Department of Transportation, Division of Waterways, The Fox Waterway Agency, Department of Conservation and Division of Fisheries, all state boating, hunting and fishing regulations are applicable and enforced.

For information on the Chain O'Lakes, call the Fox Waterway Agency at 847-587-8540 or visit FoxWaterway.com.

RETURNS THIS SUMMER

Follow the spiders

Wizards, Witches and Muggles alike will gather in Downtown Antioch, Illinois, for their 5th annual Wizards Weekend Day on Saturday, June 24.

Join us to celebrate all things of a magical nature, bring your owl (just kidding), your wand (or smartwand), and dress as the character you most closely relate to. Be ready for Wizard fun all day long!

Begin your Magical Day by picking up a **Marauders Map at the Ministry of Magic Information Booth** which will be located on Main Street in the small park next to the Vintage Mercantile. You'll also find pop up **Magical Crafters** located nearby. Your map is complete with schedules and Magical Moments that you can enjoy throughout downtown with the purchase of a **Magical Band**. You can purchase these, found at the **Wizards Ministry of Magic**

Booth, at the small park next to Vintage Mercantile 10 a.m. to 2 p.m.

Antioch turns into a **Magical Wizard Village** with new contests, games, and magical moments. Be part of this magic. Antioch will transform itself with the swish of a wand (and the help of magical volunteers) to bring a day of magical fun to all creatures-magical or muggle alike. Wizards and Muggles of all ages will enjoy many magical moments this weekend! For the past year, planning for Wizards Weekend Day has been underway, creating magical moments for all ages.

If you are interested in volunteering for this magical event, you can contact the Antioch Chamber at (847) 395-2233 or visit our **WIZARDS WEEKEND** Facebook page.

Kids Hogwarts School of Magic

The Kids Hogwarts School of Magic* is for children ages 7 to 13. School hours are 9 to 11:30 a.m. and school begins strictly on time because there is so much magic to teach our little wizards and witches! Check-in begins at 8:30 a.m., location to be announced this spring.

Tickets are very limited and may be purchased online at AntiochChamber.org.

While at the School of Magic, all students will be sorted into our magical groups (they may dress for their House of choice regardless of sorting). Magical Classes include Defense Against the Dark Arts, Care of Magical Creatures, Broom Flying, plus more magical classes to be conjured.

All students receive keepsake items and are encouraged to bring their (or their parents) smartwands (cell phones) for photos. Don't bring a wand, we have them for our students! Hogwarts is only open to students ages 7 to 13. Parents can plan to enjoy the Wizard Shops in downtown Antioch while waiting for their little witches and wizards.

Magical moments at Wizard Village Shops

Wizard Village Shops are open on Saturday, 10 a.m. to 4 p.m. for magical fun ... bring your smartwands (cell phones) for

Ghosts in downtown Antioch?

Look at the outside walls of downtown shops and find the five new “Ghost” Signs that remind you of the shops of the past.

A ghost sign is an old hand-painted advertising sign that has been preserved on a building for an extended period of time.
