### THIRD PLACE ~ *Barbara Jefferies*

Barbara Jefferies took this photo of a couple of deer playing in her yard. Jefferies said the fawns are frequent visitors to her yard on Pickeral Lake Road. They are seen here drinking from the birdbath in late September. The judges awarded this photo third place for its nod to the area's wildlife.

## Community matters in *East Troy*

Every year, when I sit down to write this welcome, I am always surprised another 12 months have passed. The time seems to fly by quicker each year.

This is the third year in a row the COVID-19 pandemic is still around. Although there are new vaccines and better treatments, this illness seems to be heading into the endemic phase, there are still people getting ill and dying at an alarming rate.

There is plenty to celebrate, however. With everyday life basically returning to normal, the East Troy community enjoyed its annual events by showing up in droves.

The summer's activities returned to the Village Square with the road improvements finished in the area. Concerts were held at Alpine Valley

Music Theatre and everyone seemed to enjoy getting out and being active.

With walking access available from the Village Square to the East Troy Electric Railroad, there has been increased traffic in the downtown from railroad travelers. This was one of the main reasons for the improvements on the square.

The downtown area was a buzz of activity in 2022 and the East Troy Area Chamber of Commerce continues to focus its events on the Village Square to bring visitors to the downtown district.

The East Troy dam is no more and the restoration of the Honey Creek has been underway in the downtown area. This has been a big change in appearance for

### LIFE THROUGH THE LENS

*Area residents were offered the chance to show their version of East Troy through the lens of their cameras in the 14th annual East Troy Times Community Guide photography competition.*

*This year, we had three photographers submit photos – John Finney, Barbara Jefferies and Chris Breidenbach.*

*The photographers who submit photos for the contest showcase people, places and events that give this area its color. The East Troy Times wants to thank them for sharing their art.*

*Winners were selected on originality, subject matter, visual appeal and connection to East Troy. The winning entries are featured throughout this publication.*

### FIRST PLACE (COVER):

## *Chris Breidenbach*

Chris Breidenbach won the photo contest with this shot of his daughter, Emilia, ringing a bell at a friend's house on Lake Beulah in East Troy. The judges liked the playful nature of the photo.

*Independent Senior living at its best...  
with a personal touch.  
Where an active lifestyle is affordable.*

### HONORABLE MENTION ~

## Chris Breidenbach

Chris Breidenbach received an honorable mention for this photo of the  
sunset taken near the Docksides' shore in East Troy.

### CONTINUED FROM PAGE 3

the area. Work continues on the former  
lakebed with the village looking to install  
a fishing hole and plantings to promote a  
healthy creek.

The East Troy Community School  
District is still struggling with lack of  
appropriate funding and is exploring  
another operational and/or facilities  
referendum. The district has struggled for

years and officials say they have reached  
the limit of cost cutting measures, so are  
exploring another referendum request in  
2023, which has failed in the past.

With another year dawning, here's to  
renewed hope in the community.

~ Tracy Ouellette, Editor

## COMMUNITY SCHOOL DISTRICT

*A Great Place to Learn & A Great Place to Work*

### LEARNER EMPOWERMENT

- Learner Empowerment is seen across all grade levels as students are able to choose WHERE they learn in flexible spaces, HOW they learn with available tools and technology, and WHAT they are learning with numerous electives, career pathways, and opportunities for work experience, apprenticeships, and college credit.
- During the 2021-22 school year, 62.8% of our ETHS students successfully completed at least one Dual Enrollment course. This is well above the state average of 18.6%.
- In a 2022 survey of 4k-2nd grade parents, 92% strongly agree or agree that focusing on PBIS (Positive Behavioral Intervention & Supports) has a positive impact on their child's achievement. Our district has been recognized by the Wisconsin RtI Center for our successful implementation of PBIS systems across all grade levels.

### HEALTHY ORGANIZATIONAL CULTURE

- From our 2022-23 licensed staff, 48% hold a Master's degree or higher and 11.5% are Nationally Board Certified.
- 61 of our educators invested in a combined total of 1,417 hours of professional learning and curriculum development during the summer of 2022. This learning is continued throughout the year with building level meetings each month.
- 91.5% of staff either Strongly Agree or Agree that they are motivated to do their very best at work.

### INCREASED COMMUNICATION & ENGAGEMENT

- In a 2021 survey, 90.8% of responding families believed our schools are focused on their student(s) social and emotional well-being.
- In the 2022 Family Satisfaction survey, 90% of families agreed that ETCSD is right to focus on the 6Cs.
- Our district partners with local master gardeners, farmers, seed dealers, and businesses to offer an authentic K-12 Agriculture Education.

### GOOD STEWARD OF DISTRICT RESOURCES

- Our ETCSD received the 2022 Safety, Security & Wellness Award from the Wisconsin Association of School Business Officials for our efforts in creating safe and healthy learning environments for students and staff.
- Our district has a solid credit rating of "Aa2" from Moody's. Of the 365 Wisconsin school districts that received a rating in 2020, only 18 districts scored higher.
