Three Lake County Sheriff's Deputies, K9 Deputy, receive 'Medal of Honor'

Three Lake County Sheriff's Deputies and one Sheriff's K9 received one of the highest honors in the State of Illinois, the 'Illinois Law Enforcement Medal of Honor.' They were presented with their awards by Illinois State Police Director Brendan F. Kelly at a ceremony in Springfield on May 31. This is the first time the ceremony has been held since 2016.

Deputy John Forlenza/Sheriff's K9 Dax and Deputy Ray Gilbert received the award for a 2018 incident where the group responded to a burglary in progress. When they arrived, two offenders fled on foot. One was quickly apprehended, but a second continued fleeing, then stopped and pulled a firearm on the deputies. Sheriff's K9 Dax distracted the armed offender and Deputy Gilbert fired at the offender, wounding him. Both Deputies Forlenza and Deputy Gilbert provided aid to the offender until the paramedics arrived.

Deputy Thomas Sieber received the award for a 2020 incident where he and the Sheriff's Warrants

Team were conducting an operation to take a man into custody who was wanted for homicide. As Deputy Sieber and other members of the team approached a residence, the offender exited a vehicle parked in the driveway and began shooting at the Warrants Team. Deputy Sieber, along with McHenry County Sergeant Daniel Kramer, returned fire, striking the offender. Members of the Warrants Team performed CPR on the man until the paramedics arrived.

Sheriff John D. Idleburg said, "I am incredibly proud of Deputies Forlenza, Gilbert, Sieber, and K9 Dax. This heroic group of deputies undoubtedly prevented innocent lives from being lost, while putting their own lives on the line. Congratulations to all four on receiving this deserved, prestigious award."

At the ceremony, over 100 other law enforcement officers received the Illinois Law Enforcement Medal of Honor for their commendable actions during the last several years.

Lake County Sheriff's Department was well represented at the May 31 Illinois Law Enforcement Medal of Honor ceremonies in Springfield. Shown from left above are, Sheriff John D. Idleburg, Deputy Ray Gilbert, Deputy John Forlenza and K9 Dax, Deputy Thomas Sieber and Sergeant Michael Kuvales. At left: the Medal of Honor that was received by Deputies Gilbert, Forlenza, Sieber and K9 Dax.

Conservation District announces June programs

Summer programs are listed as follow. Be sure to visit MCCDistrict.org to learn more, confirm location and register for events prior to the date.

Run Wild: Family fun run
Saturday, June 10, 9 a.m. at Prairieview Education Center. Journey through woodland, prairie and wetland habitats with stunning views of the native summer wildflowers and grasses in full bloom. This is a fun run where you decide how far to run making it perfect for all skill levels.

Chair Yoga
Thursday, June 8, 9:30-10:30 a.m., Lost Valley Visitor Center, Glacial Park, Ringwood. Welcome the summer morning under oak trees with chair yoga. Denise Jordan will lead the class on the patio overlooking Glacial Park's scenic wetlands and woodlands. Ages 14 and up.

Peddle-Paddle-Saddle
Sunday, June 11, 7:30 a.m. to 1:30 p.m. Glacial Park, Ringwood.

Whether you choose to travel by bike, watercraft or equine, you are sure to enjoy your morning within the beautiful scenery of Glacial Park. After your morning adventure, join in on a picnic lunch and live music. Great event for all ages. (Paddling is dependent on water levels.)

Stories & Explore
Monday, June 12, 10-11 a.m. at The Hollows in Cary. Enjoy stories about summer life for the first half and then do a little exploring outside around Lake Atwood. Bring a blanket or a pillow to relax on while you listen to the stories. Ages 2-6 with chaperone.

Explore: Birds
Tuesday, June 13, 10-11 a.m., Boone Creek, Bull Valley.

Join for this fun filled short hike at Boone Creek. Search for birds and other wildlife as you hike through the various habitats along the trail. Binoculars will be provided for a closer look at the birds. All ages are welcome.

Natural Percussions
Thursday, June 15, 10-11 a.m., Pleasant Valley, Woodstock. You will use drumming to help connect with nature by joining with the sounds around you. There will be a variety of drumming materials to choose from or you are welcome to bring your own instrument. Ages 14 and up.

Hike with Mike
Saturday, June 17, 9-10:30 a.m., Glacial Park, Ringwood. Curate conservation conversations with McHenry County Board Chairman Mike Buehler. Enjoy all the healthy benefits of the great

outdoors and explore the different conservation area. All ages are welcome.

Hooked on Fishing
Saturday, June 17, 9 a.m. to noon at Rush Creek Conservation Area.

Sunday, June 18, 9 a.m. to noon at The Hollows – Lake Atwood. Bring the whole family out for a fun morning of fishing, prizes, and more. This event is perfect for new and experienced anglers alike. Bring your own gear or borrow the conservation districts. No fishing license is required.

One Sweet Ride
Saturday, June 17, 1-3 p.m., Glacial Park, Ringwood.

Enjoy a 10-mile bike ride along the scenic Prairie Trail, with a sweet stop in downtown Ringwood. Participants can purchase coffee or ice cream from a local establishment. Bring your bike and helmet. Ages 7 and up.

Celebrating the Summer Solstice
Tuesday, June 20, 5-6:30 p.m., Lost Valley Visitor Center, Glacial Park, Ringwood. Learn about the planetary science of the summer solstice and how cultures around the world celebrate the longest day of the year. Take a hike in observance of the coming solstice. Ages 8 and up.

Pollinator Week: Precious Pollinators
Thursday, June 22, 4:30-6 p.m., Prairieview Education

Center, Crystal Lake. Celebrate Pollinator Week by learning about the various pollinators in our area. Take a short hike to observe nature's helpers and participate in an activity for children. All ages welcome.

Discovery Days: Life Under a Log
Friday, June 30, 10-11 a.m., Coral Woods, Marengo. Enjoy a morning of fun, educational activities focused on the theme of the day. Games, lessons, and hands-on experiences help participants explore the conservation areas. Ages 2-6 with chaperone. For more information or to sign up for programs please visit the McHenry County Conservation District website at MCCDistrict.org.

State launches \$15 million federal grant support program

A new state grant program aims to encourage Illinois businesses and organizations to apply for federal grants by pledging a state match. The Illinois Department of Commerce and Economic Opportunity last week announced the creation of the Federal Grant Support Program to provide the match, up to \$2 million, for competitive federal grants.

The program is open to Illinois entities applying for federal grants in support of projects that broadly align with Illinois' economic development goals and priorities, including projects that support long-term economic growth, focus on reducing the equity gap, and efforts to attract more workers and businesses to Illinois. Applications will be ac-

cepted and reviewed on a rolling basis until available funds are depleted; projects located in underserved areas or low-income communities will receive additional points during the review process. Visit <https://dceo.illinois.gov/aboutdceo/grant-opportunities/3073-2554.html> to learn more, or email CEO. GrantHelp@illinois.gov for application assistance.

College news

Riedel graduates from McKendree University
Alexander J. Riedel of Antioch, was among the 551 conferred at McKendree University, Lebanon, IL, graduation ceremony.

Riedel earned a Bachelor of Science degree in Health Promotion and Wellness.

Anderson enrolls in University of Kentucky College of Arts & Sciences
Alexa Anderson of Richmond, recently enrolled in the University of Kentucky College of Arts & Sciences for fall 2023 with a prospective major of Undeclared/Exploratory Studies in AS.

McBride named to spring Dean's List
Madison McBride of Antioch was named to the spring

2023 Dean's List in the Fulbright College of Arts and Sciences at the University of Arkansas in Fayetteville, AR. To qualify for the Dean's List, students must achieve at least a 3.75 grade-point average for the semester while completing at least 12 credit hours.

UW-Whitewater announces the 2023 spring Dean's List honorees

The following Antioch students were named to the University of Wisconsin-Whitewater Dean's List for the 2023 spring semester:

- McKayla Johnson
- McKenna Kalisz
- Haley Kozlow
- Tyler Skutnik
- Aidan Trusky
- Molly Volkmar

- Heidi Wagner
- Grace Weber
- Madelyn Welbel

These students demonstrated their academic abilities by receiving a grade point average of 3.4 or above during the spring semester.

Heery named to Southeast Missouri State University Dean's List

Ashley Heery of Antioch, has been named to the Southeast Missouri State University Dean's List for academic achievement during the spring 2023 semester. Students named to the list earned at least a 3.75 grade point average on a 4.0 scale, and completed at least 12 hours of standard graded credit.

SUBMITTED PHOTO HI-LITER/MCN
The front entrance of Jorge Guereca's farm located at 6710 S. Oak Grove Rd. in Harvard. A free farm tour and presentation will be offered on Thursday, June 8 from 5:30-7 p.m.

Farm tour will showcase Latino/Latine agriculture in McHenry County

The public is invited to learn the story behind an immigrant farmer made good and tour a thriving vegetable and fruit farm from 5:30 to 7 p.m. Thursday, June 8.

This engaging bilingual event will take place at the farm of Jorge Guereca, 6710 S. Oak Grove Road, Harvard. Guereca, a proud Latino/Latine farm owner, will lead the tour and share insights about his journey and the challenges and triumphs of running a farm. The family-owned small business specializes in a diverse range of crops: including pumpkins, zucchini, cucumbers, melons, and watermelons to onions, radishes, broccoli, peas, and more.

This family-friendly, outdoor event is open to all and does not require registration. It aims to provide a platform for learning, understanding, and supporting local Latino/Latine farm owners. Participants are encouraged to arrive at 5:30 p.m. to secure parking on-site before the tour commences at 6 p.m. Food and refreshments will be provided throughout the event, creating a convivial atmosphere for fruitful conversations and connections.

"We are thrilled to bring the community

together for this unique opportunity to engage with Jorge Guereca and gain a deeper understanding of the Latino/Latine agricultural landscape in McHenry County," said Raices Latinas Project Coordinator Zitlali Adame. "Supporting local farmers like Jorge can foster economic growth and strengthen our community."

Raices Latinas is a groundbreaking coalition consisting of the Farmworker and Landscaper Advocacy Project – FLAP, Illinois Migrant Council, Mano a Mano Family Resource Center, Center for Agrarian Learning at McHenry County College, The Land Conservancy of McHenry County and the McHenry County Historical Society. The organization was made possible last year through the Community Foundation for McHenry County grant.

Current and former migrant workers living in McHenry County are encouraged to share their stories, pictures, and any artifacts with the historical society so we can build a permanent archive. For information, go to www.raiceslatinasmc.org.

McBride named to spring Dean's List

Antioch celebrated Armed Forces week with many activities

Colonel (ret.) Paul J. Hettich
CONTRIBUTOR

The Antioch community has a long history of supporting the military and Veterans. The Antioch American Legion Post 748 and Antioch VFW Post 4551 were proud to have hosted four Antioch community outreach events for Armed Forces week, concluding with Memorial Day.

On May 17, Antioch Honors Night, the Antioch American Legion was privileged to be part of Antioch Community High School Honors Night. The Legion awarded two \$500.00 scholarships to two deserving students who will use the funds to support attending college.

On May 25, Antioch Cemeteries Honor Day, members of the Antioch American Legion and VFW and Antioch Scouts placed 783 flags on all Veterans headstones in five Antioch area cemeteries. The Lakes Region Historical Society led the effort to maintain locations of all Veterans in the Antioch.

On May 26, Antioch Poppy Day, members of the Antioch American Legion and VFW conducted their annual Poppy Day in Antioch in support of the American Legion National Poppy Day. The red poppy is a nationally recognized symbol of sacrifice worn by Americans since World War I to honor those who served and died for our country in all wars. The Legion partnered with several Antioch businesses in order to distribute poppies in return for donations to support Veterans of the Antioch American.

On May 29, Antioch Memorial Day Ceremony, members of the American Legion and VFW, with support from the Village of Antioch, Antioch Township, Antioch Chamber of Commerce, Lakes Regional Historical Society, and several other Antioch businesses, clubs, and organizations, conducted the third annual Antioch Memorial Day Ceremony at Hillside Cemetery.

The Antioch Community honored all of the Veterans who made the ultimate sacrifice on Memorial Day, however what made the ceremony unique from most others is that they also honored one Antioch Veteran from the nation's wars. In 2021, Antioch honored Captain Leverett H. Barnes from the War of 1812 and in 2022; brothers Corporal Allen D. Hanke and Private First Class Leslie A. Hanke were honored as well as descendants of his family. This year, like last year, Judy Gossman, the niece of the Hanke brothers, and her husband, attended the ceremony.

This Memorial Day, they honored former World War I Veteran and life-long Antioch resident Sergeant James 'Red' Leland Waters and several of his living descendants, who were VIPs for the ceremony. Sergeant Waters moved to Antioch between 1910 and 1914 and was employed by Williams Brothers Company in Antioch before entering the Army in July 1917. He received the Distinguished Service Cross for heroism in battle, our nations' second highest award; the Medal of Honor being the highest award. Sergeant Waters was discharged in June 1919 and returned home to Antioch where he got married, raised a family, worked several

jobs, was a leader in the community, and ultimately died on February 4, 1967. He was buried with military honors at Hillside Cemetery by Strang Funeral Home.

Members of the Illinois Patriot Guard with local police support escorted the following members of Sergeant Waters family from their residence in Lake Villa to Antioch Hillside Cemetery: Carol Effinger, daughter of Sergeant James Waters, Bill and Jim Effinger, sons of Carol Effinger, Christina and Rosemary Effinger, daughters of Carol Effinger, and other relatives Bess Quint, Dieter Quint, Colin Quint, Claudia Quint, and Katie Effinger.

Sergeant James 'Red' Leland Waters was born on October 24, 1896 and died on February 4, 1967 at 70 years old. He served in World War I with the U.S. Army, C Company, 131st Infantry Regiment. Sergeant Waters was discharged from the Army on June 4, 1919. He also had a brother who served in the U.S. Navy at the same time as him.

The Distinguished Service Cross Citation for Sergeant James Leland Waters states, "Corporal, Company C, 131st Infantry. For extraordinary heroism in action near Gressaire Woods, France, August 9, 1918. Showing utter disregard for personal danger, he advanced alone in advance of our lines to attack a machine-gun emplacement, the fire from which was causing heavy casualties. He killed the two men at the enemy gun, permitting a renewal of the advance of his company.

The ceremony had a presentation of Colors and pledge of allegiance by the Antioch American Legion, VFW, and Antioch Scouts. The national anthem was sung by Ms. Abby Flade with the Invocation by Pastoral Resident John Szott of North Bridge Church. The guest speech was by Colonel Paul Hettich and the story of Sergeant James Leland Waters was by Joseph Hettich and Bill and Jim Effinger, descendants of Sergeant Waters. The re-dedication of Sergeant Waters headstone was conducted by members of Sergeant Waters family, the Illinois Patriot Guard, Veterans, scouts, and first responders. The presentation of the wreath was by Antioch Mayor Scott Gartner and Township Supervisor Tom Shaughnessy. The benediction was by Chaplain Charles Haley and the Retiring of Colors was by the Antioch scouts. The Three Volley Salute was by members of the Antioch American Legion and VFW with Taps by Mr. Bill McGee, Lakes Area Band, with closing song of Amazing Grace by Ms. Nora Samelson.

Colonel (Retired) Paul J. Hettich, United States Army Civil Affairs Psychological Operations Command (Airborne) concluded the ceremony. "The good in the world today is because of the legacy given to us by those who gave their lives in service. Their sacrifices helped make this country, the great nation it is today, with every action taken, every conflict resolved, and every life improved, we commemorate these heroes."

June is National Rivers Month

Every year, Americans celebrate their life-giving rivers throughout the month of June.

Rivers and their tributaries are the arteries of the planet, pumping fresh water and nutrients through diverse ecosystems that support life for thousands of species and maintain vital fisheries. Throughout history, towns and cities have been built along the banks of rivers because they provide the people who live there with water, food, transportation and energy. The beauty of our rivers, and the water that flows through them, can be sources of inspiration and appreciation.

Rivers are also the foun-

ation for the watersheds surrounding them. Watersheds are the land areas that channel rainfall and snowmelt to creeks, streams and rivers. The creeks and streams commonly form sub-watersheds that flow to the larger watersheds formed by rivers.

McHenry County has two rivers, the Fox River and the Kishwaukee River, that form our two main watersheds. Generally speaking, the east half of McHenry County flows to the Fox River and the west half of the county flows to the Kishwaukee River.

As you travel across McHenry County, keep an eye out for signs posted at creek,

stream and river crossings along county highways. The top of each sign shows the water body you are crossing, and the bottom shows the watershed into which that water body flows. These signs were a collaborative effort between McHenry County government and the Environmental Defenders of McHenry County. They are intended to help residents develop a better understanding of the importance of our rivers and watersheds.

Investigation leads to nearly 8,000 fentanyl laced pills, guns, cocaine

The Lake County Sheriff's Office Special Investigations Group (SIG), a High Intensity Drug Trafficking Area (HIDTA) funded task force, concluded a three-month investigation which led to the arrest of a Mundelein man who possessed nearly 8,000 fentanyl laced pills and three firearms.

Oscar Pena

In March, members of SIG, which includes the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) Chicago Field Division and Homeland Security Investigations (HSI) began an investigation after learning Oscar Pena, 22, of the 1000 block of Concord Circle, Mundelein, was selling firearms and illegal narcotics.

During the investigation, undercover detectives acquired three firearms, 15 grams of cocaine, and nearly 2,500 fentanyl laced pills.

On June 2, 2023, a search warrant was conducted at Pena's home. During the search, nearly 5,500 fentanyl laced pills packaged for distribution, an additional firearm,

and large quantity of ammunition was seized.

After reviewing the facts and circumstances of the incident, the Lake County State's Attorney's Office approved the following charges for Pena:

Armed Violence (Class X Felony), Gun running (Class 1 Felony), Possession of a defaced firearm (Class 3 Felony), two counts of Unlawful Possession of a Firearm by a Felon (Class 3 Felony), Unlawful Possession of Ammunition by a Felon (Class 3 Felony), Unlawful Possession of Cocaine with Intent to Deliver (Class 1 Felony), three counts of Unlawful Possession of Fentanyl with Intent to Deliver (Class 1 Felony), four counts of Unlawful Possession of Fentanyl with Intent to Deliver (Class X Felonies), and eight counts of Unlawful

Possession of a Controlled Substance with Intent to Deliver (Class 4 Felonies).

Sheriff John D. Idleburg said, "This drug trafficker had the ability to end countless lives with the fentanyl laced pills he was trying to distribute throughout the region. Thanks to the strong partnerships included in our Special Investigations Group, we were able to utilize state and federal resources to investigate and arrest him. I am thankful for all who participated in this successful investigation."

Pena remains held in the Lake County Jail on \$1.5 million bail.

The Sheriff's Office acknowledges the exceptional assistance of our federal and local SIG partners to include, ATF Downers Grove 1, DEA Group 31, FBI NRA-1, HSI TOC-Group, Park City PD, Round Lake Beach PD, Round Lake Park PD, Wauconda PD, Waukegan PD, Winthrop Harbor PD, Zion PD, and Mundelein Police Department.

Court & crime news

Juveniles held on \$5 million each in fatal shooting

On Friday, June 2, a Lake County Judge set a \$5 million bond for each juvenile charged in the fatal shooting of a Waukegan Volleyball Coach that took place on May 6, 2023.

the court room," Lake County State's Attorney Eric Rinehart said.

On Saturday, May 6, at approximately 10:36 p.m., Waukegan Police Department responded to a report of shots fired in the area of 10th Street and Lewis Avenue. Upon arrival, officers located the victim, later identified as Niolis M. Collazo, unresponsive in her vehicle. She was transported to a nearby hospital where she later succumbed to her injuries.

Investigators retrieved numerous surveillance videos that assisted them in identifying the offending vehicle, later determined to be registered to a relative of Dejesus.

On May 11, Dejesus was pulled over while driving the offending vehicle. Officers seized the vehicle. Officers conducted an extensive investi-

gation that revealed that Dejesus and Torrecilla were occupants in the offending vehicle at the time of the shooting.

Because both defendants are juveniles, they are being held at the Hulse Detention Center in Vernon Hills. Dejesus' next court date is on June 8, at 9:00 a.m. and Torrecilla's next court date is on June 9, at 9:00 a.m.

Armed parolee apprehended by K9 Dax

On June 4, at approximately 1:45 a.m., Lake County Sheriff's Deputies responded to a fight in progress at a motel in the 39000 block of North Sheridan Road, Beach Park. When sheriff's deputies arrived and

knocked at the second-floor room where the fight was occurring, Ricardo Perez, a 31-year-old parolee of the 400 block of Hickory Street, Mundelein, jumped out a second-floor window to flee from the scene. Perez was armed with a pistol and fled on foot.

Ricardo Perez

Numerous Sheriff's deputies responded to the scene and established a perimeter around the area. Sheriff's Deputy John Forlenza and K9 Dax arrived at the scene and began a track of Perez. K9 Dax first located Perez' firearm that had been discarded in bush on the

north side of the motel. Dax continued his track to find Perez hiding behind a dumpster in a nearby parking lot. Perez refused to surrender, and Dax took him into custody by biting his arm.

Perez was transported to an area hospital for the dog bite and also a leg injury he sustained when jumping from the second floor window. He was discharged from the hospital and is currently in the Lake County Jail awaiting his initial court hearing.

Sheriff John D. Idleburg said, "Here is yet another example of the important role our canine deputies have in keeping our community safe. Nearly every day one of our ten canine teams is out tracking a missing endangered person or

violent fleeing felon. Great job to Deputy Forlenza, K9 Dax, and the other members of the Patrol Division in locating this armed man who was trying to flee with an illegally possessed firearm."

After reviewing the facts and circumstances of the case, the Lake County State's Attorney's Office approved the following charges for Perez: Unlawful Possession of a Firearm by a Felon, Aggravated Unlawful Possession of a Firearm - No FOID Card, Aggravated Unlawful Possession of a Firearm - No CCL, and Resisting Arrest.

Sheriff's deputies are contacting the Illinois Department of Corrections to request a parole violation warrant be issued.

25-year-old man drowns in Chain O'Lakes channel

A 25-year-old man from Kenosha, Wisconsin, died after jumping into a water channel just north of Petite Lake.

On June 4, at approximately 1:05 a.m., Lake County Sheriff's Marine Unit Deputies responded to the 'Long Channel,' located between Petite Lake and Spring Lake for a man who went underwater. Members of the Sheriff's Marine Unit along with Lake Villa Fire Protection District searched the channel for several hours. Sheriff's deputies also utilized a drone in the search. At approximately 6:30 a.m., the deceased man's body was recovered from the water.

Preliminary investigation shows the man was likely heavily intoxicated, as witnesses observed him drinking at birthday party. Fol-

lowing the party, the man returned to a residence in the 25100 block of West Forest Drive, Unincorporated Lake Villa, and jumped from a pier into the water with his clothes on. The man was able to swim to shore and a relative helped him remove his wet clothing and took him to bed. A short time later, the man left bed, jumped into the water again, this time without clothing, and attempted to swim across the channel. The man went underwater as he swam across the channel.

The Lake County Coroner's Office responded to the scene and an autopsy is being scheduled.

The incident remains under investigation by the Lake County Sheriff's Office Marine Unit.
