HYDRANT FLUSHING

VILLAGE OF WATERFORD

The Village of Waterford will be flushing hydrants September 18 through October 31 between the hours of 8:00 a.m. and 4:00 p.m.

Some homeowners may see some discoloration in their water supply. The discolored water is bacteriological safe. However, consumers are urged to postpone using water for any work that might affect color sensitive items. Please run your faucet for a few minutes to allow the water to clear up. If the problem persists or you have any questions, please call the Village Water Utility at (262) 534-4069.

Please drive with caution in areas where hydrant flushing is occurring.
