# Administrator announces retirement

Gary Gibson, Lake County Administrator has announced his retirement effective at the end of his contract on February 16, 2024. Gibson's career spans 34 years in the public sector, with 28 years with Lake County government and the last four as County Administrator.

"Gary, through his leadership, has played an integral part in the success of many projects and initiatives not only in his current role, but also in his previous positions in Lake County government," said Lake County Board Chair Sandy Hart. "I cannot say enough about how fortunate I have been, both personally and professionally, to benefit from Gary's vast

experience and expertise."

It was just over four years ago in the fall of 2019, that Gibson came back from retirement to serve as Interim Lake County Administrator as recruitment for a permanent County Administrator was being initiated. After serving as Interim for a few months, the County Board approved his appointment as County Administrator with a two-year contract that was subsequently renewed in February 2022.

Through Gibson's leadership as the County Administrator, Lake County navigated through the COVID-19 pandemic, allocated more than \$250 million via CARES Act and ARPA funds, secured

funding for the Regional Operations and Communications (ROC) Facility, and maintained the County's triple-A rating from both Moody's and Standard & Poor's.

"Gary has been a tremendous asset to the Lake County Board, working together to further our mission to serve the residents and employees of Lake County," said Mary Ross-Cunningham, Lake County Board Vice-Chair. "He will be greatly missed by many, and we wish him all the best in his retirement."

Moving forward, Chair Hart will be leading an internal search for a new County Administrator that will be initiated this week. Lake County employees will have

an opportunity to apply for the position.

"It has been the greatest honor of my professional career to serve as Lake County Administrator. I am profoundly grateful for the support, encouragement and friendships developed over the course of my career with Lake County," said Gary Gibson. "My sincere thanks to Chair Hart and the Lake County Board as well as my colleagues for their ongoing efforts to serve the Lake County community. These past four years have brought many challenges, and I am proud to have worked with the Board and County employees as we addressed those issues and more."

# Pritzker calls Illinois' support for Israel 'unequivocal' after Hamas attacks

## Governor calls attacks 'sickening' at pro-Israel rally, acknowledges 'many peace-loving Palestinians'

By Hannah Meisel  
CAPITOL NEWS ILLINOIS

Gov. JB Pritzker last week condemned the deadly attacks on Israel over the weekend by the militant group Hamas, telling those gathered outside a synagogue in Chicago's north suburb of Glencoe Oct. 10 that Illinois "unequivocally stands" with the people of Israel.

The governor, who himself is Jewish, was one of a handful of elected officials and faith leaders who spoke at the gathering. Pritzker acknowledged the militant group isn't representative of all Palestinians—including those who live in Gaza under the de facto rule of Hamas.

"There are many peace-loving Palestinians, and we must honor them," Pritzker said. "But Hamas—Hamas is a terrorist organization. An army of murderers backed by Iran." More than 1,000 people were killed by Hamas' coordinated attacks on Saturday as many in Israel celebrated a Jewish holiday, with thousands more injured and some taken hostage. Among them may be a mother-daughter pair of Evanston residents, according to reporting from the Lake County News-Sun.

Israel's consul general to the Midwest, Yinam Cohen, told the crowd gathered outside of North Shore Congregation Israel that many in the Chicago area are still "waiting for news regarding their loved ones in Israel."

Israel quickly declared war and launched counterattacks on Gaza, which has been under Hamas' control since 2007. Israeli airstrikes have killed at least 800 and wounded more than 4,000 Palestinians in the days following the initial attack.

Pritzker's address included a message of support for the Israeli military.

"We pray today for the strength and safety of the men and women of the Israeli Defense Forces as they embark on this most difficult and important mission," the governor said. "Each step of the way they should know, and the people of Israel should know, that America and Illinois unequivocally stands with them in their battle to end the ongoing Hamas attacks. We stand with Israel."

Pritzker also said he'd directed the Illinois State Police to be on alert for any security threats to synagogues and oth-

er Jewish gathering places, but he assured the crowd "there is no immediate threat."

Also at the Oct. 10 gathering was Democratic U.S. Rep. Brad Schneider, who told the crowd he was scheduled to be in Israel last week for a conference on relations between Israel and surrounding Arab nations.

"We were supposed to be celebrating the idea ... that Jews and Arabs belong to the land, and the idea that by embracing each other, Jews and Arabs can live together in peace," Schneider said. "That is not the vision of Hamas. That is the vision of people who believe in peace. Hamas believes Israel should be eliminated and Jews should be murdered."

Schneider, who is a member of the Congressional Jewish Caucus, called on the federal government to provide Israel with military support,

and he said a bipartisan coalition of House members had already introduced a resolution to condemn Hamas.

"It is on us to make sure Israel has everything she needs to win this war, to protect her citizens and to make sure Jews in Israel can live in peace," Schneider said, equivocating the weekend's attacks to Sept. 11, 2001.

Meanwhile, other Illinois elected officials have weighed in on the conflict, including Attorney General Kwame Raoul and a bipartisan group of a dozen other attorneys general. In a statement last week, the coalition said it was "aghast and outraged at the wanton, calculated attacks on civilians going about their daily lives."

Over the weekend of Oct. 7-8, Illinois' Legislative Jewish Caucus issued a statement condemning the "deprivation of innocent life."

## Workforce Development Department honored

SUBMITTED PHOTO Hi-Liter/MCN

The Lake County Workforce Development Department was recently honored by the Lake County Chamber of Commerce with the Business Impact Award. This award acknowledges the valuable service workforce development provides throughout Lake County in support of business growth via exceptional work with employers, job seekers, and community partners to strengthen and meet the employer demands of today and industry talent needs of tomorrow. Pictured from left: Antonio Garcia, Business Services Manager, Kimberly Wimer, Workforce Board Chair, Michael Darling, Employer Connections Committee Chair, Demar Harris, Assistant Director.

## Board appoints McFarlane as Public Works Director

The Lake County Board is pleased to announce that it has appointed Austin McFarlane as the Director for the Lake County Public Works Department.

McFarlane assumes the role following more than 30 years with Lake County Public Works. He was hired in 1991 as a Laboratory Supervisor, then promoted to Operations Manager and has most recently served as the Interim Director.

"Austin has led critically important initiatives that modernize our water and sewer infrastructure, improve water

quality, and increase system resiliency," said Lake County Board Chair Sandy Hart. "We look forward to continue working with Austin on projects involving the county's most valuable asset, our water."

The Lake County Public Works Department provides water and sanitary sewer service to about 40 percent of

Lake County's population, primarily the unincorporated areas. The Department conducts testing, performs inspections, and regulates permits that pertain to water and sanitary sewer issues. They conduct water and sewer inspection services to ensure that residential, commercial, and industrial customers comply with public health and environmental safety standards.

The Department also performs government services to protect consumers and the environment, including maintaining water and sewer assets for over

20 municipalities as a shared service and the maintenance of the North Libertyville Estates Levee.

"Austin's knowledge and skills have been an integral part of our organization for more than 30 years," said Gary Gibson, Lake County Administrator. "We are confident in his ability to lead the extraordinary teams we have at Public Works in the years to come."

# Woman who lied and hid evidence charged

Following a thorough investigation, sheriff's detectives and crash investigators determined Samantha Jacobson, 45, of the 4900

Samantha Jacobson

block of Valley View Road, Crystal Lake, was responsible for coordinating evidence being hidden in this investigation. Investigators determined Jacobson was at a drinking establishment earlier in the evening with Luthardt. When Luthardt was leaving, Jacobson suggested he not drive, but Luthardt left on the ATV anyway. Jacobson left shortly after and observed the crash scene. She then arranged for the ATV to be removed from the scene, along with other evidence. Jacobson lied to investigators, indicating she was driving down the roadway and happened to come across Luthardt's body in the roadway. She attempted to lead investigators into believing Luthardt was not involved in a crash.

Sheriff's investigators presented the facts and evidence to the Lake County State's Attorney's Office who approved the charges of two counts of obstructing justice. An arrest warrant was drafted on October 6, 2023, and Jacobson was arrested by sheriff's deputies on October 10<sup>th</sup>.

Jacobson appeared in court on October 11, 2023, and was released pending trial. Her next court date is November 7, 2023, at 9:00 a.m. in courtroom T020.

Sheriff John D. Idleburg added, "From the decision to operate a vehicle under the influence, to the poor decision to lie and hide evidence, this entire set of circumstances is unfortunate. I cannot stress it enough, please do not drive under the influence, the consequences - as they were in this case - can cost lives."

All defendants are presumed innocent unless proven guilty in a court of law.

wood Avenue, Unincorporated Spring Grove, for a report of a person down. Sheriff's deputies arrived and located a 56-year-old man of Unincorporated Spring Grove unconscious and unresponsive. The man, Glenn Luthardt, 56, was transported to Northwestern Medicine McHenry Hospital in critical condition, where he was subsequently pronounced deceased.

The initial 911 caller informed sheriff's 911 telecommunicators that they found Luthardt lying on the ground. Sheriff's deputies arrived and located Luthardt with multiple injuries. There was no vehicle in the vicinity and no initial obvious signs he was struck by a vehicle.

Sheriff's detectives and sheriff's crash investigators responded to the scene to further investigate. After extensive investigation, including viewing nearby video surveillance and interviewing a number of people, sheriff's detectives determined Luthardt was drinking at a nearby bar. Before leaving the bar, he tripped and fell, which caused some injuries to his face. A short time later Luthardt left the bar on his ATV. According to a witness, he crossed Grass Lake Road onto Lake Shore Drive and accelerated at a high rate of speed. He lost control and was thrown from the ATV. The ATV landed on top of him.

An acquaintance who was following Luthardt home was able to remove the ATV from his body and called for help from additional acquaintances. Knowing Luthardt was likely under the influence of alcohol and driving with a revoked driver's license, the acquaintances removed Luthardt's ATV from the scene, so there was no evidence he was driving. Detectives searched the area following the crash and located Luthardt's ATV several hours later, in the backyard of a residence approximately one-half-mile from the crash scene.

### Man arrested after he drove from Ohio to meet 'child' for sexual purposes

An Ohio man is in custody after he drove from his home in Ohio to meet who he thought was a child, to engage in a sexual relationship.

On October 9, 2023, the Lake County Sheriff's Office

Special Investigations Group in collaboration with the Naval Criminal Investigative Service (NCIS) concluded an investigation which resulted in the arrest of a man for the offense of indecent solicitation of a child.

For the past several weeks, Zachary S. Clemens, 38, of the 2100 Stowmont Court, Dublin, Ohio, was communicating with an undercover detective online. The detective was posing as a girl under the age of 14. During the conversations, Clemens sent nude photos of himself, to who he believed was the young child.

Clemens created a plan to drive over 300 miles, from his home state, to meet the 'girl' and engage her in a sexual encounter. On October 9<sup>th</sup>, he drove to Lake County to meet the 'girl.' When Clemens arrived, he was met by detectives with the Special Investigations Group.

Clemens was arrested and transported to the Lake County Sheriff's Office. When arrested, detectives discovered he possessed a small amount of cocaine. After reviewing the facts and circumstances of the case, the Lake County State's Attorney's Office approved the following charges: Attempt Aggravated Criminal Sexual Abuse (Class 2 Felony), Indecent Solicitation of a Child (Class 3 Felony), Traveling to Meet a Minor (Class 3 Felony), Grooming (Class 4 Felony) and Unlawful Possession of a Controlled Substance (Class 4 Felony).

Sheriff John D. Idleburg said, "Our Special Investigations Group identified and stopped another person from being able to meet a child for sexual purposes. This time, the person drove over 300 miles to try and meet who he thought was a child. We have zero tolerance for those preying on our most vulnerable and will exhaust all efforts to identify and arrest those who try."

Clemens was held in the Lake County Jail pending first appearance in court.

All defendants are presumed innocent unless proven guilty in a court of law.
