McHenry County Coroner's Office earns accreditation

The McHenry County Coroner's Office has earned accreditation from the International Association of Coroners and Medical Examiners – a high honor that only three Illinois counties and 37 nationwide have achieved.

IACME subjected the Coroner's Office to a thorough review of 288 standards on administrative, forensic and investigative matters, as well as an onsite inspection of its facility. To achieve accreditation, coroners' offices are required to meet all mandatory standards and 90% of non-required standards. The Coroner's Office exceeded requirements by meeting all mandatory standards and 99% of non-required standards.

"Modernizing the Coroner's Office has been a top priority for me since before I was even elected," said McHenry county Coroner Dr. Michael Rein. "My office is often called to the most heart-wrenching of cases, and I am proud that we can better serve grieving families during their darkest hours and support justice for the entire community."

The Coroner's Office won an \$113,175 grant from the U.S. Department of Justice to pay for needed improvements and upgrades to achieve accreditation such as new software, security enhancements for the facility, and modernized equipment.

McHenry County Coroner Dr. Michael Rein is in the center, flanked by two IACME auditors..

Dinosaur exhibition opening October 7

Dinosaurs will visit the Bess Bower Dunn Museum in Libertyville with the opening of a special exhibition, "Dinosaurs: Fossils Exposed." The exhibit runs from October 7 through January 15, 2024 at the nationally accredited Museum, operated by the Lake County Forest Preserves.

The new exhibition explores the bones and fossils belonging to the giant creatures that once roamed the earth. Visitors can view and even touch six full dinosaur skeletal molds including a Triceratops, Tyrannosaurus rex and Velociraptor.

There are additional molds of skulls, arms, legs, eggs, footprints and a 6-foot-1-inch Apatosaurus femur.

"People's imaginations work overtime when it comes to developing their understanding of dinosaurs," said Director of Education Nan Buckardt. "They include some of the largest animals ever to roam the earth and some that were just chicken sized. This exhibit will explore dinosaurs from full skeleton replicas to fossilized eggs."

"Dinosaurs: Fossils Exposed" was conceptualized by the Arkansas Discovery Network, a unique six-mu-

seum partnership, of which the Dunn Museum is a member. The Preservation Foundation, the charitable partner of the Lake County Forest Preserves, provided support for the exhibition.

"Often, with dinosaur exhibits, the crucial background information is overshadowed by the sheer majesty of these massive animals," said Kathleen Lawson, Arkansas Discovery Network director. "But 'Dinosaurs: Fossils Exposed' will educate and excite visitors while dispelling common misconceptions and engage people of all ages."

The exhibit will feature Tully monster fossils from the Dunn Museum collection. Central Illinois is the only place in the world where the fossils have been found. "This creature has baffled scientists since it was first discovered in the late 1950s. Even today, there is no agreement if it even has any living relatives," Buckardt said.

"One of the things I'm most looking forward to is seeing the wonder and joy on the faces of our visitors as they move through the exhibition," Buckardt said.

Museum hours and admission prices are listed at DunnMuseum.org.

McHenry County Medical Reserve Corps celebrates 20 years

The McHenry County Medical Reserve Corps (MCMRC) is a local network of volunteers working to improve the health and safety of McHenry County. September 2023 marks the group's 20th year of dedication and service to McHenry County.

Established in September 2003 in response to the September 11, 2001, terrorist attacks, the MCMRC has grown into a vital force in disaster response, health promotion, and community support. The unit has expanded its mission to include national-level disaster response, community support, and health promotion. With a history of remarkable dedication, the MCMRC continues to make a positive impact on the health and well-being of our community.

Throughout its history, the MCMRC has played a

pivotal role in various community initiatives, including Operation Dropbox, which involves gifting store-bought items to support Veterans Path to Hope. The unit has also been instrumental in ensuring the safety and well-being of our residents. They have also volunteered at various local non-profit organizations. Amongst the network's other community involvements are emergency response exercises, trainings, vaccine clinics, phone banks, contact tracing, diabetes classes and initiatives, substance use education, recycling events, rabies and microchipping events, wellness screenings, CPR instruction, and food pantry classes.

During the COVID-19 pandemic, the MCMRC assisted in the distribution of Personal Protective Equipment (PPE) and actively participating in vaccination

efforts. Their contribution has been instrumental in protecting the community against the virus. Between 2010 and 2022, the MCMRC has volunteered 17,594 hours, which is estimated to have saved the county over \$500,000.

The national Medical Reserve Corps (MRC) network comprises more than 300,000 volunteers in roughly 800 community-based units located throughout the United States and its territories. MRC units organize and utilize local volunteers who want to donate their time and expertise to prepare for and respond to emergencies and to support ongoing preparedness initiatives. MRC volunteers include medical and public health professionals as well as other community members without healthcare backgrounds who want to improve the health and safe-

ty of their communities. The need for the MRC became apparent after the September 11, 2001, terrorist attacks, when medical and public health professionals, eager to volunteer in support of emergency relief activities, found that there was no organized approach to channel their efforts. As a result, the MRC was established to provide a way to recruit, train, and activate medical and public health professionals and other volunteers to respond to community health needs during disasters and other public health emergencies.

Those interested in volunteering for the McHenry County Medical Reserve Corps can fill out an application at <https://app.betterimpact.com/Application?OrganizationGuid=62cdf4f8-0e2e-4f36-9af0-a2d7be4a357b&Application-FormNumber=1>

Pancake breakfast set for Sunday

The Spring Grove Fire Department Explorers will host their annual pancake breakfast this Sunday, Oct. 8 from 8:00 a.m. to noon at the Spring Grove Fire Station. The breakfast is \$6 for

adults and \$4 for children and will kick off Fire Prevention Week that runs from October 8-14.

The Spring Grove Fire Station is located at 8214 Richardson Road, Spring Grove.

Trunkers needed for annual event

The Village of Spring Grove Community Engagement Committee is looking for residents and businesses that would like to decorate their car or a table and have fun passing out candy at the Trunk or Treat event on October 28.

This free to the public event will run from 2:00 to 4:00 p.m. with a costume contest at 3:00. Prizes will be awarded for best costume (child, adult and pet) and best decorated trunker.

The location is at Horse Fair Park, 8105 Blivin Street, with additional parking available at Spring Grove Park, 2102 Maint Street.

Register your car, truck, or table by October 26 at www.springgrovevillage.com.

COURTESY ANTIOCH CHAMBER Hi-Liter/MCN

Grab your witches hat and take part in Antioch's Witches Night Out w/After Party event on Thursday, Oct. 19. It features contests, witch dance, raffles, prizes, pasta, salad, witch potion and more fun.

Autumn fun available in Antioch

Antioch is an authentic downtown where history has created a quaint downtown shopping community to stroll, events such as the Taste of Summer, Champagne Wine Walks, Dickens Holiday Village, Girls Night Out Margarita Partyville, Treat the Streets, a Village Independence Day, a 5K Run for Freedom, Wizards Weekend, Kringle's Christmas Village, Christmas Musical Light Show, It's Thursday Concert Series, a Wizard School of Magic, Witches Night Out and Santa's Frozen Breakfast.

There are many fun choices, which makes Antioch a family friendly destination, along with many opportunities to shop in boutiques and gift shops.

Visitors will enjoy a variety of eateries and shops to choose from, enjoy the quaint storefronts featuring antiques, cafes, art gallery, home furnishing, clothing boutiques and many unique gifts.

A day of shopping should be rewarded with the perfect dining experience! From the local hot spots, sophisticated dining, and fun eateries, there is a restaurant for everyone!

Casual restaurant dining includes burgers, pizzas, pasta, BBQ, soups, salad and sandwiches, German, Caribbean and Irish delicacies or treat those taste buds to an exquisite meal of filet mignon, Italian delicacies, mouth-watering seafood, Mexican cuisine and desserts.

Can't wait until dinner? Coffee houses, candy shops and frozen delicacies are perfect for that afternoon treat. After the sun goes down, Antioch's nightlife begins. The village is home to theaters that specialize in live theater and the most recent film releases. Or perhaps you'll have the opportunity to enjoy a travelling theatre group.

You can choose among the many lounges in Antioch and enjoy a leisurely drink. Or maybe you'd enjoy a quiet, relaxing drive along the shorelines of the Chain O'Lakes after a busy day of shopping and dining. Shopping, dining, and entertainment ... create your own day of pleasure in historic Antioch.

Upcoming fall events in Antioch include:

- **Craft Beer Walk**, Oct. 14 – Antioch's popular Beer Walk has been enhanced to include street tacos for all and features craft beers. You and your friends will enjoy an afternoon sampling Craft Beers throughout downtown Antioch, visiting participating shops and restaurants for delightful craft beer samples. Plus you will enjoy street tacos at your convenience.

- **Witches Night Out w/ After Party**, Oct. 19 – Put on your Witches Hat and meet your Friends in Antioch the evening of Thursday, Oct. 19. Enjoy contests, witch dance, raffles, prizes, pasta, salad, a witch potion and fun. The more witches the scarier!

- **Champagne Walk & Brunch**, Nov. 4 – Antioch's popular Champagne Walk has been enhanced to include a Brunch for all. Visit participating shops and restaurants for champagne samples. Plus you will automatically be scheduled for a brunch as part of the fun! Tickets are limited.

- **Shop Small Business Saturday**, Nov. 25 – Start your holiday shopping in Antioch's quaint business community. Enjoy browsing and shopping among unique shops that greet you with a smile, offer personalized service, and perhaps sales. Antioch is unique because shops are owned by people who live in the community and surrounding areas. By Shopping Small - you are helping support local schools, churches, sports teams, civic groups and many other worthwhile causes that receive donations from the shops in Antioch.

- **Santa vs. Grinch Brunch**, Nov. 26 – Santa vs. Grinch Brunch is food, fun and a challenge to help Santa save Christmas! It includes gifts for the kids to enjoy, brunch, Santa and Grinch photo opportunities, and kids participate in a challenge to help Santa. Several seatings will be available. Registration is now open.

For more events in Antioch, visit antiochchamber.org.

Chain O' Lakes

Something is always happening on the Chain! Boating,

skiing, fishing, swimming, hunting, racing, and snowmobiling can all be enjoyed on the 11 chained-together lakes.

Visit the many unique resorts, restaurants and marinas located on the Chain O'Lakes.

For more information, contact the Fox Waterway Agency, 45 S. Pistakee Lake Road, Fox Lake, IL 60020. Or call the agency at (847) 587-8540.

Lakes Region Historical Society Museum

The Museum is located inside Antioch's Second School, located at 817 Main Street. This building was in continuous use as a grade school from 1892 to 1971. It also included the first two years of high school education.

The renovation and museum construction were completed with contributions and volunteer labor. The Museum was dedicated and officially opened on July 18, 1987. They welcome donations of artifacts from Antioch and the Chain O'Lakes Region to add to their collection.

Private Tours are available for clubs and small groups by appointment. Admission is free but donations are gratefully accepted.

The museum is open every Saturday, March through December, from 11 a.m. to 3 p.m. (volunteers interested should contact them directly).

The museum is located on Highway 83 in downtown Antioch.

SUBMITTED PHOTO Hi-Liter/MCN

Pet of the week

Vienna is about 2 years old, spayed Scottish Fold, up-to-date on routine shots, tested negative for FIV, feline leukemia and heartworm and microchipped.

"She's soooo sweet! She came right up to me and rubbed on my hand." How is this for a starter? That's how one of the volunteers described me. I'm a super affectionate cat so I never pass an opportunity to introduce myself and get some loving. I lived with two kids and two cats so would love a home with some human and feline siblings too. My friends here told me that they are sure my stay will be a short one.

While walk-ins are welcome, adoptions are by appointments only to ensure we have the staff available to help adopters. For information and/or to complete an online application, please visit www.saveapetil.org/adopt.

Will host its annual Craft Beer Walk, which was recently enhanced to include street tacos at participants' convenience.

Get behind-the-scenes access, insider lore with new, free guided tours at Volo Museum

For the first time in its 63-year history, the Volo Museum is offering guided tours, included at no additional charge with regular admission. Tours are available at 11 a.m. and 2 p.m. Tuesdays and Thursdays, and provide visitors a chance to peel back the curtain on how this amazing 75-acre complex of everything from muscle cars to music machines, mammoths and more came to be.

“Hear the unknown stories, get behind-the-scenes looks and see over 10,000 mechanical marvels with a completely new perspective,” said Jim Wojdyla, marketing director at the museum. The tours include the main museum showrooms; the Titanic Museum and Jurassic Gardens are not included. Leading the tours will be Volo Museum employees Seamus Pearcy and Jordan Burg,

both of whom have been taking deep dives into the museum’s fascinating background. “I love the history behind everything here,” Pearcy said. “I love all of the old classics. The opportunity to tell some of the stories behind the collection is pretty exciting.” Burg, who has a bachelor’s degree in history, said she anticipates that visitor questions

See MUSEUM, Page 6

Guides Seamus Pearcy and Jordan Burg pause by the Volo Museum’s Ecto-1 during a guided tour of the Volo Museum. Tours offering insider lore and behind-the-scenes access are now available Tuesdays and Thursdays, included with museum admission.

Investigation leads to arrest of drug trafficker

The Lake County Sheriff's Office Special Investigations Group (SIG), a High Intensity Drug Trafficking Area (HIDTA) funded task force, concluded an investigation which led to the arrest of a Beach Park man who was selling crack cocaine.

Members of SIG conducted an investigation after receiving information Damonne L. Hunt, 33, of the 39000 block of North Sheridan Road, Beach Park, was selling crack cocaine out of a motel room in the same block.

On Sept. 27, members of SIG conducted a search warrant and located over 20 grams of crack cocaine, packaged for delivery and a firearm with the serial number scratched off.

Damonne L. Hunt

Intent to Deliver (Class X Felony)

– Unlawful Possession of a Controlled Substance (Class 1 Felony)

– Aggravated Unlawful Possession of a Firearm by a Felon (Class 3 Felony)

– Unlawful Possession of a

SIG detectives arrested Hunt and reviewed the information with the Lake County State's Attorney's Office, who approved the following charges:

– Unlawful Possession of a Controlled Substance with the

Firearm with a Defaced Serial Number (Class 3 Felony).

"We have a message to those who think they can traffic guns or drugs in Lake County: Our Special Investigations Group and sheriff's deputies will do everything they can to investigate you and hold you accountable for your actions," Sheriff John D. Idleburg said. "I am proud of the work that went into this investigation and thankful to all of the law enforcement involved."

Hunt remains held in the Lake County Jail and was scheduled to appear in 'First Appearance Court' Sept. 28.

All defendants are presumed innocent unless proven guilty in a court of law.

Update from PD: hostage taker charged

Gerzin Ramirez-Perez, 33, of the 700 block of North Park Road, Round Lake, has been charged in connection with last week's hostage situation in Round Lake.

Members of the Round Lake Police Department reviewed the circumstances of the incident with the Lake County State's Attorney's Office. After reviewing the details, the following charges were approved:

– Aggravated Unlawful Restraint (Class 3 Felony)

– Two Counts of Domestic Battery (Class A Misdemeanors)

On September 22, 2023, an arrest warrant was drafted and a Lake County Judge approved and signed the warrant.

Ramirez-Perez was discharged from an area hospital on September 25, 2023. Upon his discharge, he was arrested and transported to the Lake County Jail, where he remains pending 'First Appearance Court' this morning.

All defendants are presumed innocent unless proven guilty in a court of law.

In a Sept. 20, press release, the department shared the following information.

On September 19, 2023, at approximately 6:35 p.m., Round Lake Police Officers were dispatched to a residence in the 700 block of North Park Road, Round Lake, for an unknown problem. A 911 caller reported police were needed but hung up before emergency telecommunicators could ask additional questions. Officers arrived and located a woman outside of the home. The woman outside of the home told officers there was a woman in the basement of the home, who needed help.

Round Lake Police Officers arrived at the residence and knocked on the door. The homeowner answered the door and allowed officers inside. The homeowner told officers there is a man (later identified as a 33-year-old) and woman (later identified as a 30-year-old) who live in a downstairs basement apartment of the home.

Round Lake Police Officers approached a basement door and could hear what sounded like people in the basement. The police of-

Gerzin Ramirez-Perez

ficers attempted to speak to the couple through the door, in an attempt to determine the problem. Around the same time, a police officer on the outside of the home looked through a basement window and saw the man holding a knife to the woman's neck. Round Lake Police Officers attempted to deescalate the situation, however, the man continued holding the knife to the woman and refused to put the knife down or let the victim go.

Due to the nature of the situation, the Northern Illinois Police Alarm System (NIPAS), a regional SWAT team, was requested to the scene. Members of NIPAS arrived and attempted de-escalation techniques and negotiations, to rescue the hostage and peacefully resolve the situation. As the victim and man were Spanish speaking, Spanish linguists were on-scene to lead the communication efforts. During their efforts, the man grew increasingly agitated and refused to drop the knife or follow any of the instructions requested by NIPAS, placing the victim at substantial risk of being killed or seriously injured. Two members of NIPAS discharged their firearms, striking the man.

Members of NIPAS were able to rescue the victim from the man's grip, following the shooting. Police officers provided aid to the man, until nearby paramedics arrived. The man was transported to an area hospital with critical injuries, but is expected to survive. The victim sustained minor injuries during the attack and was evaluated by paramedics, but declined transport to the hospital.

The two officers involved in the shooting were transported to area hospitals for evaluation, per protocol.

The initial woman police encountered outside of the home was an acquaintance of the victim, who the victim attempted to contact while being attacked by the man.

Alcohol compliance checks conducted in Lake County

The Lake County Sheriff's Office conducts alcohol compliance checks at Lake County liquor selling establishments. The compliance checks are designed to ensure businesses vending alcohol are not selling to anyone under the age of 21.

Of the 55 establishments tested, seven sold alcohol to someone under the age of 21.

The establishments and clerks in violation are:

• **Aldi**, 2741 Hartigan Road, Volo; Clerk: Mariana Shpetko, 26

• **Casey's**, 39131 North Sheridan Road, Beach Park; Clerk: Jesus Zavala Alcantar, 27

• **Hoeksema's Mini Mart**, 38975 North Lewis Ave, Beach Park; Clerk: Jayavander Kitab Singh, 24

• **Puff N Stuff**, 20370 North Rand Road, Deer Park; Clerk:

Bijal Pater, 24

• **Country Corner**, 26071 North Diamond Lake Road, Unincorporated Mundelein; Clerk: Upendra Vallabhbai Patel, 73

• **A&N Liquor**, 34780 Catherine Dr, Ingleside; Clerk: Richard D. Ledgerwood, 69

• **BP Gas**, 41530 North Route 45, Unincorporated Antioch; Clerk: Gloria J. Ramirez, 48

The clerks in violation were ticketed for selling liquor to a minor. They are required to appear in Waukegan court.

Notice of the violations were sent to their respective liquor commission jurisdictions (Beach Park, Deer Park, Volo and Lake County Liquor Commissions).

All defendants are presumed innocent unless proven guilty in a court of law.

• Museum (Continued from page 5)

will help them both to develop greater details and intrigue as people begin to take the museum up on the new visitor perk, which launched Tuesday, Sept. 12.

With everything from Jay Ohrberg bizarre cars to Disney statuary and parade vehicles, a century-old carousel and antique music machines from around the world, the list of fascinating facts behind key exhibits is long.

Wojdyla said among the great things about the tours will be guests' ability to jump in and out of them as desired. A maximum of 20 people can join a tour during a given time slot, he added. To sign up for one, go to www.volo-cars.com/the-attraction/guided-tours and click the sign-up

link.

The ever-expanding Volo Museum is home to hundreds of classic muscle cars, Hollywood movie cars, a Titanic Museum, film-famous trains and so much more. Hours are 10 a.m. to 5 p.m. daily. Admission is \$22.95 per adult, \$20.95 per senior or military, \$12.95 for children ages 5 to 12 and free for children 4 and younger.

Separate admission to the Jurassic Gardens dinosaur park is \$15.95 each; free for children 4 and younger. Combo passes for both attractions cost \$34.95 for an adult or \$24.95 for children ages 5 to 12, and are good for two consecutive days.

Admission to the new Titanic Museum is \$19.95, or \$14.95 in combination with any other ticket, or for members. For other details, visit volofun.com, find Volo Museum on social, or call 815-385-3644. Volo Museum is located at 27582 Volo Village Road, Volo.

CYNTHIA WOLF PHOTO HI-LITER/MCN

Jordan Burg talks about a world map on display in the Volo Museum's military history exhibit during a guided tour of the museum. The newly launched tour offering is available Tuesdays and Thursdays, included with museum admission.

Fire Prevention Week, Oct. 8-14

Snuff out the risk of fire in the home

Did you know that fire departments across the nation receive a call about a home fire every one-and-a-half minutes? According to the Red Cross, approximately 68,000 disasters take place each year, and of those, the majority are home fires. Fortunately, there are steps you can take around your home to reduce the risk of fire. These include:

- Inspect all electrical outlets and extension cords, and make sure they are in good condition and are not overloaded.
- Handle gasoline with care and store it in an approved container out of the reach of children.
- Keep candles away from combustibles and out of the reach of children, and extinguish the flames when leaving the room.
- Store matches, lighters and volatile chemicals in their original containers in a locked cabinet out of the reach of children.
- Place space heaters away from combustibles and turn them off when leaving the room.
- Arrange for a professional cleaning and inspection of wood stoves, fireplaces and furnaces prior to the start of each heating season.
- Stay in the kitchen or at the grill while cooking and keep combustibles away from the stove- or grill-top.
- Install smoke detectors on each floor and bedroom in your home, and test them regularly.
- Keep combustibles away from wood stoves, fireplaces and furnaces.
- Douse cigarette butts with water before throwing them into the trash.
- Place fire extinguishers throughout your home and learn how to use them.
- Burn wood only in wood stoves and fireplaces, and use a fireplace screen when possible.

In addition to following these safety tips, you should devise a fire escape plan with two exits out of every room and practice it often with your family. You should also arrange for everyone to take a fire safety course. That way, in the event that a fire happens, your family will know how to react.
