# We invite you to *Explore Waterford!*

Whether you live in or near the Waterford area or are visiting our beautiful community, we are confident that we have something for everyone. Thank you for taking the time to review our guide. The members featured inside support the community and encourage you to fully Explore Waterford.

Our mission of bringing community and businesses together is evident from the moment you drive into our community. By combining the efforts of Explore Waterford (Waterford's Chamber of Commerce), Visit Racine County (Racine County Convention and Visitors Bureau) as well as local government and community organizations, we have created an environment where individuals, families, and businesses thrive.

Surrounded by rolling hills, farmland, Tichigan and Wind lakes, and the beautiful Fox River, Waterford offers scenic natural vistas and recreational opportunities.

We also have a variety of strong businesses and healthy residential development. Located at the hub of several major highways, the Waterford area offers a convenient commute to metropolitan areas such as Milwaukee and Racine, and is convenient to interstates that

lead beyond.

We are a gem in the center of Southeastern Wisconsin, but we are not hidden. You've found us.

Residents and visitors alike enjoy the tranquility of our surroundings, combined with nearby retail, hospitality and professional services. We value our small-town charm, which offers the opportunity to park in a main street environment and walk to enjoy dining inside or outside, shopping and services.

Our business community remains flexible to the challenges we face and works together to provide the best possible experiences for our residents and guests.

Waterford area students experience excellent schools, committed to helping them become successful, responsible, and community involved adults.

We are excited to continue hosting our popular events including Celebrate Waterford, Wine Walks, and the Christmas Parade.

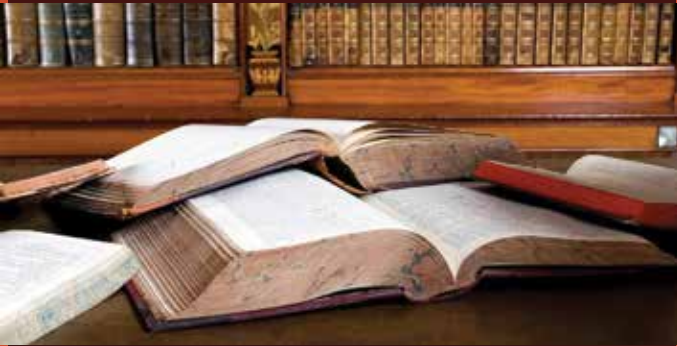

Helping families enjoy the quality of life in the Waterford area is our organization's passion and the Board of Directors, myself the president, our staff, and volunteers look forward to serving you in any way we can.

## Bringing community and commerce together

### Main Street standards

Explore Waterford has been working hard to maintain the Main Street Four-Point Approach model which includes:

**Economic Development** to enhance and strengthen downtown businesses; Promotions to increase market image and develop events to draw residents and visitors downtown;

**Design** to develop appreciation for the Heritage District's unique cultural and physical assets and implement beautification projects; and

**Organization**, which handles fundraising for sustainability and volunteer development.

### Volunteer and donor-driven events

Explore Waterford will continue to host popular events such as Celebrate Waterford, Wine Walks, Waterford Christmas Parade, and the Polar Express. These events would

not be possible without the generosity of volunteers and donors.

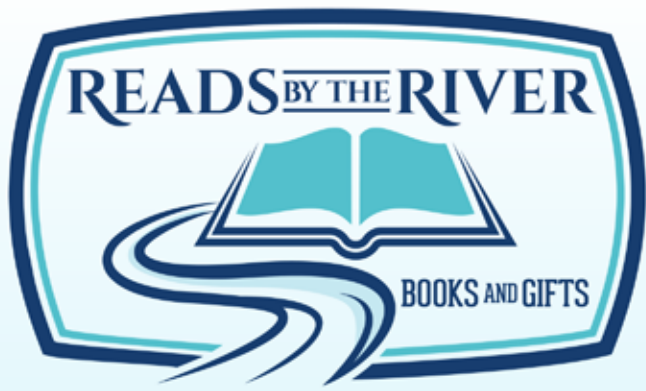

Donors help to fund promotions and activities for community outreach projects, programs and events. Giving to Explore Waterford is tax deductible due to our 501(c)(3) non-profit status and is a way of seeing gifts directly impact the area in a positive way.

Explore Waterford volunteers continue to keep the community alive, focus their efforts on activities that draw visitors to downtown businesses and beyond, while developing strong partnerships with local organizations to help promote revitalization efforts.

Explore Waterford always welcomes new volunteers with fresh ideas.

To join the effort or donate, contact Executive Director Aubrey McGaughy at 262-534-5911 or [director@explorewaterford.com](mailto:director@explorewaterford.com).

**Main Street Waterford**  
Oldest Soaps, Perfumes, & Bathroom Sundries

*The Noble House* is a purveyor of the oldest and finest soaps, perfumes, and bathroom sundries, dating from 1752. We currently sell Caswell Massey and Baudelaire products which are Made in America.

The building is the original General Store and Post Office for Waterford and the surrounding area. It has been remodeled back to its original glory. Our shop keepers wear period dress from the 1850s. Please come and experience a walk back in time with original soap recipes from the 1700s and 1800s. Our flora soaps and perfumes are identical to the flowers they come from. Some of the scents include Lilac, Honeysuckle, Gardenia, Marem, Sandalwood, and more.
