How Low Can Your Heat Costs Go?

In the U.S. this appliance is for non-residential applications only
Heat your space for far less money than fuel oil, propane, natural gas and even off-peak electric rates. Owners who have scrap wood sources or cut their own basically eliminate their "fuel costs".

With four models available, you're sure to find one that fits your heating needs.

Nurses

on the front lines for us...

It's been nearly four years since the pandemic began and through it all nurses have been there for us – delivering compassionate care while putting their own health at risk and holding the hands of those suffering through the darkest days of COVID-19. We owe a debt of gratitude to these Frontline Heroes who selflessly put their patients and their jobs ahead of their personal safety.

Southern Lakes Newspapers invites you to submit your stories and tributes about nurses who've been heroes to you in the past year. Perhaps it's the nurse at your regular doctor's office or the nurse who treated you in the emergency department – or maybe it's your spouse, parent or child whose courage and commitment have been an inspiration. The connection doesn't matter. What matters is we join together to honor the nurses who do so much for our community.

**SUBMIT YOUR STORIES AND PHOTOS OF YOUR HEROES TO:
vicki@southernlakesnewspapers.com**

**PLEASE LIMIT YOUR TRIBUTES TO 500 WORDS OR LESS AND SUBMIT
DIGITAL IMAGES AT THE HIGHEST RESOLUTION POSSIBLE.**

Submissions are due by April 3
and will be published in our
Special Section
