 Big and small. We love them all!

NOTICE OF APPLICATION FOR AQUATIC PLANT MANAGEMENT PERMIT

The Long Lake Protection District is applying for a permit from the Wisconsin Department of Natural Resources to treat up to 30 acres on Long Lake with aquatic herbicides to control Eurasian water-milfoil, Curly-leaf pondweed, and Starry Stonewort. The permit will also cover the potential for navigational treatments on the SW and SE channels as well as the South end of the lake. The proposed treatments would occur between 4-1-24 and 9-15-24. The application will target specific non-native or nuisance plants in the treatment area.

The LLPD will conduct a public informational meeting on the proposed treatment if five or more individuals, organizations, special units of government, or local units of government request one. The meeting will give citizens a chance to learn more about the proposed treatment based on information provided to the citizens attending the meeting.

Any request for a public meeting on this proposed treatment must be made within five days after this notice is published. The request must specify the topics to be discussed at the meeting, including problems and alternatives, and must be sent in writing to the LLPD, 27440 Long Lake Rd., Wind Lake, WI 53185 and copied to the Wisconsin Department of Natural Resources, c/o Craig Helker, 1027 West St. Paul Ave., Milwaukee, WI 53233.

This notice is required by Chapter NR 107, Wisconsin Administrative Code
