**How Low Can Your Heat Costs Go?**

**WOOD ASTER**  
Outdoor Wood Burning Furnace

In the U.S. this appliance is for non-residential applications only

Heat your space for far less money than fuel oil, propane, natural gas and even off-peak electric rates. Owners who have scrap wood sources or cut their own basically eliminate their "fuel costs".

With four models available, you're sure to find one that fits your heating needs.
