East Troy gets ready for **Best Summer Ever!**

Summer is one of the best times to enjoy East Troy (along with winter, spring and fall of course.)

With temperatures that are perfect for getting outside and more to do than ever before, it could lead to a historic summer for local businesses.

“East Troy’s seasonal playground of festivals and al fresco dining is a huge strength,” said Vanessa Lenz, East Troy Area Chamber of Commerce Executive Director.

“Summertime is when East Troy comes alive, and this season is expected to be bigger and better than ever.”

Many of your favorite events and activities will return this summer, along with several new ways to embrace time outdoors with close friends and family.

Another factor in East Troy’s projected summer boost in spending is more dollars to spend on marketing efforts.

This summer, the East Troy Area Chamber of Commerce will launch an unprecedented technology driven, city-wide scavenger hunt, blending modern electronic elements like moviesque Laser Mazes with engaging physical and logical challenges.

The 2024 Scavenger Games: The Ultimate Citywide Adventure will launch on three dates with help from a \$28,296.75 Joint Effort Marketing (JEM) Grant from the Wisconsin Department of Tourism.

“We’re thrilled to bring this new event to East Troy and to have the backing of Travel Wisconsin to continue to boost tourism and amplify East Troy’s economy,” Lenz said. “During Scavenge East Troy, teams (of up to 6) will traverse the town,

If you’ve ever wanted to feel the proverbial heartbeat of East Troy, check out our most notable landmark, East Troy Village Square Park, which has a long history as the backdrop for community events like East Troy Lights, Brewfest and East Troy’s Memorial Day Weekend Corn and Brat Roast.

2. Eat Pizza on the Farm

Grassway Organics, W2716 Friemoth Road, in East Troy, hosts Pizza on the Farm events on Friday and Saturday nights, May 5 through Sept. 29, baking pizzas using only organic ingredients on the farm’s on-site wood fired pizza oven.
