*It's been twenty-nine long years
 John, David and Dad brought tears.
 I still miss you so very much,
 Our family was quite a bunch.

 Waiting for the rest of us to depart.

NOTICE TO CITY OF BURLINGTON RESIDENTS
**THURSDAY
 HYDRANT FLUSHING**

The Burlington Water Utility will be flushing hydrants on Thursdays during the months of May through July, to reduce and remove the accumulation of rust and iron in the City's water main distribution system. This flushing may cause discolored water in your system. This discolored water is bacteriologically safe and will not harm you.

City residents should check their water supply on Thursdays before engaging in any work that could be affected by the City's flushing of hydrants. Your cooperation and understanding during water main flushing is greatly appreciated.
