WHY? WHY? WHY?
Really, why?

Why are there over 200 school referendums each year?
Why are our EMS services lacking in needed funds?
Why will our cities need to go to referendums to stay going?
Why have so many police forces downsized?
Why are hospitals and clinics closing?

This is planned, intentional and purposeful.

It places the burden of supporting our communities on the middle class.

This is Robin Vos' State Tax Structure design. Vote him out!
