## Santa making a stop at McHenry Outdoor Theater this weekend

By: Cynthia Wolf  
CONTRIBUTOR

Fortunately for area theater buffs, and before things grow altogether too hectic for him, Santa plans to check out the McHenry Outdoor Theater this weekend, Dec. 13-14.

“We are thrilled to be expecting visits from Santa this weekend,” said Scott Dehn, owner of the theater at 1510 N. Chapel Hill Road, east of downtown McHenry. “When he told us he could make it, we cheered. It turns out, even Santa enjoys some great holiday classics under the stars.”

Late season pricing is just \$15 per carload, Dehn said. The box office opens at 5:30 p.m. Fridays and Saturdays, and movies start about 7 p.m.

“We hope to greet lots of visitors who will enjoy not only some terrific movies and perhaps some hot cocoa and other treats, but also the chance to visit with Santa, take some photos and create some great, lasting family memories,” Dehn said.

On the big screen Dec. 13-14, will be Will Ferrell in “Elf,” followed by 2006’s “The Nativity Story.”

The theater’s final weekend of the 2024 season will be Dec. 20-21, when audiences will have the chance to catch “National Lampoon’s Christmas Vacation” followed by Bill Murray in “Scrooged.”

Those looking for holiday gifts are encouraged to check out the Bremer Team Taphouse and Snack Bar, where all Outdoor merch is deeply discounted to wrap out the year, Dehn added.

For other information, visit goldengacinecinemas.com, or find the McHenry Outdoor Theater on Facebook.

Kids gather in front of the big screen at the McHenry Outdoor Theater during the 2023 holiday season. Santa plans to greet visitors there this weekend. On the big screen will be Will Ferrell in “Elf”, followed by “The Nativity Story”. For more information visit goldengacinecinemas.com.

# Pastor Jesus Gerena appointed to CLC Board of Trustees

The Board of Trustees of the College of Lake County Community College District 532 (CLC) is pleased to announce the appointment of Pastor Jesus Gerena to fill its vacant seat. This appointment was approved at the board meeting on November 19, 2024. Gerena will serve as an appointed trustee until a successor is elected to serve the remainder of the unexpired term at the next Consolidated General Election for open trustee positions on April 1, 2025.

Gerena is Senior Pastor of Iglesia Rebanado Condado de Lake (Christian Fellowship of Lake County). He has been a member of the CLC Lakeshore Campus Advisory Committee since 2017. Gerena expressed that serving on the advisory committee has provided him with valuable lessons about addressing barriers students face to access quality education, making college affordable and bringing programs to CLC that allow students and graduates to compete in the current job market. He is eager to bring his skills and experience to support the overall mission of the College of Lake County.

For the past six years, Gerena has served as a commissioner for the Waukegan Housing Authority, working with the organization's board to oversee a capital improvement budget of \$200 million to create new housing units in Waukegan for families and seniors. Regarding this experience, Gerena stated, "I have developed a strong foundation in the principles of board governance, teamwork and collaboration. I am committed to fostering transparent decision making and supporting policies that prioritize student success, equity, inclusion and financial responsibility."

Gerena added, "I am particularly inspired by the advancements the College of Lake County has made in our community with programs in the healthcare field, technology, business, human service, and others. I will serve with integrity, passion, dedication and outmost commitment to the vision and mission of the college."

After the appointment of Pastor Gerena, CLC Board of Trustees Chair Torrie M. Newsome stated, "On behalf of the Board of Trustees, I welcome Pastor Jesus Gerena and look forward to his active engagement in support of the College's mission as a comprehensive community college committed to equitable high-quality education, cultural enrichment and partnerships to advance the diverse communities it serves. College of Lake County is a designated Hispanic-Serving Institution, with 46 percent of its currently enrolled student body representing the Latino community. I look forward to Pastor Gerena's insights and contributions to deepening the Board's relationship within the Lake County Latino communities."

CLC is governed by a seven-member Board of Trustees who are elected by the voters of Community College District 532.

# Department of Justice renews Lake County Human Trafficking Task Force grant

This month, the United States Department of Justice (DOJ) awarded the Lake County Human Trafficking Task Force an additional \$700,000 in grant funding as a renewal of a prior grant. The funding will be allocated over the next three years to strengthen the Task Force's ongoing work in investigating and prosecuting human traffickers while also providing critical services to the survivors of labor and sex trafficking.

Co-led by the Lake County State's Attorney's Office (LCSAO) and A Safe Place (ASP), the Task Force is a collaborative effort between prosecutors, police, and community-based social service providers to support survivors, to increase community awareness, and to hold traffickers criminally responsible through aggressive prosecutions. With

in the State's Attorney's Office, the grant funds are used for a prosecutor, an investigator, and a task force coordinator.

Lake County State's Attorney Eric Rinehart commented after the renewal, "The Department of Justice and its subject-matter experts recognize the work we are doing in Lake County, and our office greatly appreciates their confidence as shown by this renewal."

Prior to the formation of the Task Force in 2022, A Safe Place identified dozens of survivors of human trafficking, yet there were no active investigations or charged cases in Lake County in 2020 or 2021. Currently, the task force is investigating over 20 cases, and there are five pending cases against defendants in Lake County courts. The Department of Justice National

Incident Based Reporting System showed that only 30 sex trafficking cases and 17 labor trafficking cases were formally reported to Illinois law enforcement between 2021 and 2023.

Rinehart added, "The data shows that trafficking is a vastly under-reported crime, and that it is one of the reasons why it is so dangerous. Such exploitation of the individual is one of the most damaging and calculated crimes in our system. These renewed grant funds give us the resources we need to conduct these intensive investigations and to build prosecutions in complex cases. Make no mistake, traffickers in Lake County will be investigated and incarcerated for these crimes that exploit others."

Chief Executive Office of

A Safe Place Pat Davenport stated, "A Safe Place continues to experience the needs of survivors that come through our doors and the collaboration with the Lake County State's Attorney's Office is critical to our delivery of our services. Without them, the funding would not have become A REALITY which is so much needed to provide services."

The LCSAO plays a vital role in the Task Force by conducting proactive investigations and pursuing the prosecution of individuals involved in sex and labor trafficking. The prosecutors' work, combined with A Safe Place's victim-centered approach, ensures that survivors receive the comprehensive support they need to regain control of their lives while ensuring successful prosecutions.

# Man arrested for possessing over 1,000 images and videos of child pornography

Lake County Sheriff's Detectives arrested a Lindenhurst man December 3 for possessing over one thousand images and videos depicting violent child pornography.

Aaron J. Stiegel

The Lake County Sheriff's Cybercrime Unit received information that an IP address in Lake County was uploading child pornography online. Sheriff's detectives conducted further investigation showing the IP address was registered at a home in the 300 block of North Crooked Lake Lane, Lindenhurst.

Sheriff's detectives presented the case facts to the Lake County State's Attorney's Office who approved a search warrant for the house. A Lake County Judge signed and authorized the search warrant.

On December 3, members of the Lake County Sheriff's Cybercrime Unit, Lake County State's Attorney's Office Cybercrime Unit, and Illinois Attorney General's Office Cybercrime Unit conducted the search warrant at the residence.

Investigators determined Aaron J. Stiegel, 25, of the same residence, was responsible for downloading, uploading, and storing child pornography. Some of the images and videos he possessed contained children under the age of 10 being sadistically sexually as-

saulted. The investigation revealed that Stiegel likely traded child pornography with others across the country.

After reviewing the initial facts and circumstances of the incident, the Lake County State's Attorney's Office approved the charges of five counts of possessing child pornography (class 2 felonies) against Stiegel.

Additional charges are anticipated to be filed.

Sheriff's detectives are conducting further investigation into the individuals Stiegel shared child pornography with, and leads will be sent to appropriate law enforcement agencies.

The Lake County State's Attorney's Office intends to file a petition to detain Stiegel in custody while awaiting trial.

### Lake County Sheriff's personnel take swift action to stop an attack

The fast actions of Lake County Sheriff's Deputies prevented serious injury to an elderly woman being attacked yesterday afternoon.

On December 2, at approximately 4:25 p.m., Lake County Sheriff's Telecommunicators received a 911 call from a residence in the 38600 block of North Lewis Avenue, Beach Park, for a report of an individual armed with a knife, threatening the lives of those in the house. Sheriff's Telecommunicators were able to obtain crucial information that the man out of control,

Keith MacDonald, 33, of the same residence, armed himself with a knife and told everyone inside they were "going to die," which they relayed to responding sheriff's deputies.

Sheriff's deputies arrived and looked inside a window of the residence. They observed MacDonald standing over an elderly woman, who was lying on the floor. Not knowing if MacDonald was still armed with a knife and believing the elderly woman was at immediate risk, the sheriff's deputies forced entry through the locked front door, and tackled MacDonald to the ground, successfully taking him into custody.

Further investigation revealed MacDonald became enraged after learning he was going to be evicted from the home by his family. MacDonald grabbed hold of a knife from the kitchen and began chasing a woman around the home, saying he was going to kill her.

After reviewing the facts and circumstances of the incident, the Lake County State's Attorney's Office approved the following charges against MacDonald: Aggravated Battery to a Person Over 60 Years of Age, Aggravated Assault

with a Deadly Weapon, Disorderly Conduct, Resisting Arrest, and Child Endangerment (there was a one-year-old child present during the attack).

The Lake County State's Attorney's Office filed a petition to detain MacDonald while awaiting trial.

### Flynn sentenced for 3 counts of sexual relations within families

The McHenry County States Attorney's office announced that on November 15, David W. Flynn, of Chicago, was sentenced to 15 years in the Illinois Department of Corrections on three counts of Sexual Relations Within Families. Flynn will also be required to register as a sex offender for the remainder of his natural life. Flynn's sentence was part of a negotiated plea of guilty entered before the Honorable Judge Tiffany E. Davis.

On January 9, 2022, Flynn and the victim were in Waterloo, Indiana, when third parties became aware of Flynn's ongoing sexual abuse of a then 19-year-old female family member. When Flynn was aware others knew, Flynn threatened to kill himself while holding a knife to his own throat. The victim called the police, and Flynn was subsequently hospitalized for suicide threats. After the sexual relationship was revealed, the victim returned to McHenry County and made formalized police reports documenting the ongoing sexual abuse. Flynn, himself, admitted to the offenses to other witnesses. Further evidence of Flynn's acts and incriminating statements was discovered in text messages that were recovered during forensic investigative analysis of cell phone data.

McHenry County State's Attorney Randi Freese thanks Det. Andrew Taylor with the Marengo Police Department, Sgt. Michael Roehrkasse with the McHenry County Sheriff's Office, the Fox River Grove Police Department, and the Waterloo Indiana Marshal's Office for their collaborative efforts and thorough investigation in this case. A special thanks to Assistant State's Attorney Ashley Romito for her work in prosecution of this case.

### Two high-risk missing people located in less than 24 hours

In less than 24 hours, two highly endangered people were safely located through

the efforts of Lake County Sheriff's Deputies and our law enforcement partners.

On November 29, at approximately 11:00 p.m., a 60-year-old man with cognitive disabilities was reported missing from his home in Wadsworth. Temperatures had dropped into the teens, prompting an urgent and extensive search effort. Deputies, K9 teams, drones, and other resources worked tirelessly into the early morning hours, but the initial search proved unsuccessful.

At first light Saturday, the sheriff's criminal investigations division organized a systematic search grid. During this effort, the missing man was located near the Wadsworth Savanna Forest Preserve by Lake County Forest Preserve Police Officers, who were assisting with the search. He was transported to a local hospital for treatment for cold exposure and is expected to make a full recovery.

On November 30, at approximately 1:40 p.m., sheriff's deputies responded to a report of a missing elderly woman with multiple cognitive disabilities in unincorporated Antioch. The woman had been last seen over an hour earlier and was believed to have left her home on foot.

The search included drones from partnering police departments and K9 teams Duke, Zeus, and Danno from the Sheriff's Office. During the search, K9 Duke, led by Deputy Dwight Arrowood, alerted to the woman's scent. K9 Duke guided Deputy Arrowood to a vehicle near the home, where the woman was found lying in the back seat. Paramedics transported her to a local hospital for treatment for cold exposure, and she is also expected to recover fully.

Both individuals faced life-threatening risks due to the extreme cold, and their timely rescues underscore the importance of coordinated efforts and specialized resources.

Sheriff John D. Idleburg said, "In the span of just 24 hours, the dedication and teamwork of our sheriff's deputies, K9 teams, and law enforcement partners saved two lives. Despite the harsh outdoor elements, these highly endangered individuals were found and brought to safety.

David W. Flynn

We extend our gratitude to all of our law enforcement partners for their critical role in these rescues and commend the exceptional skills of our K9 teams. This is a testament to the unwavering commitment of everyone involved to protecting our community."

The Lake County Sheriff's Office extends its gratitude to the Lake County Forest Preserve Police, Zion Police Department, Fox Lake Police Department, Antioch Police Department, Libertyville Police Department, Gurnee Police Department, and Illinois State Police for their assistance in these searches.

### Vodnansky sentenced to eight years for predatory criminal sexual assault

On November 25, Matthew K. Vodnansky, a 41-year-old male from Fox Lake, was sentenced to 8 years in the Illinois Department of Corrections for Predatory Criminal Sexual Assault. Vodnansky entered a negotiated plea of guilty before the Honorable Judge Tiffany E. Davis.

On February 8, 2022, the McHenry County Sheriff's Office began investigating a report of a delayed criminal sexual abuse, stemming from an outcry by the victim to the school social worker. The victim reported that Vodnansky sexually abused her 3 to 4 years earlier when Vodnansky believed that she was asleep. Vodnansky was previously convicted of possession of child pornography in 2002 and was a registered sexual offender at the time of this offense.

Truth-in-Sentencing will require that Vodnansky serve a minimum of 85 percent of his sentence prior to being released from the custody of IDOC. Upon release, Vodnansky will be placed on Mandatory Supervised Release for a period of between three years to life and will be required to register as a sexual predator for life.

McHenry County State's Attorney Randi Freese thanks the victim whose courage was paramount to seeing that justice was done in this case as well as the McHenry County Sheriff's Department and Child Advocacy Center of McHenry County. This case was prosecuted by Assistant State's Attorney Margaret O'Brien.
