Nurses

on the front lines for us...

All nurses have been there for us - delivering compassionate care while putting their own health at risk and hold the hands of those suffering through the darkest days of COVID-19. We owe a debt of gratitude to these Frontline Heroes who selflessly put their patients and their jobs ahead of their personal safety.

Southern Lakes Newspapers invites you to submit your stories and tributes about nurses who've been heroes to you in the past year. Perhaps it's the nurse at your regular doctor's office or the nurse who treated you in the emergency department - or maybe it's your spouse, parent or child whose courage and commitment have been an inspiration. The connection doesn't matter. What matters is we join together to honor the nurses who do so much for our community.

SUBMIT YOUR STORIES AND PHOTOS OF YOUR HEROES TO:
vicki@southernlakesnewspapers.com

PLEASE LIMIT YOUR TRIBUTES TO 500 WORDS OR LESS AND SUBMIT DIGITAL IMAGES AT THE HIGHEST RESOLUTION POSSIBLE

Submission are due by April 2
and will be published in our Special Section
honoring All Nurses - our Frontline Heroes

NOTICE OF APPLICATION FOR AQUATIC PLANT MANAGEMENT PERMIT

The Eagle Lake Management District (ELMD) intends to apply for a permit from the Wisconsin Department of Natural Resources to treat up to 300 acres of water in Eagle Lake with aquatic herbicides to control nuisance aquatic vegetation. The proposed treatment would occur between April 14 and September 30, 2025. The applications will target specific nuisance plants in the treatment areas.

The ELMD will conduct a public informational meeting on the proposed treatment if five or more individuals, organizations, special units of government, or local units of government request one. The meeting would give interested parties a chance to learn more about the proposed treatment from the permit applicant. The ELMD is not required to, but may, change the proposed treatment based on information provided by citizens attending the meeting.

Any request for a public meeting on this proposed treatment must be made within five (5) days after this notice is published. The request must specify the topics to be discussed at the meeting, including the problems and alternatives, and must be sent in writing to Eagle Lake Management District, P.O. Box 221, Kansasville, WI 53139 and to Craig Helker, Wisconsin Department of Natural Resources, 1027 West St. Paul Ave., Milwaukee, WI 53233.
